Introduction

The key is that once you realize that effective trading is an inside job (and an inner game demanding emotional control), you are responsible for developing the mind that embraces uncertainty as the norm. The markets do not care what you think about prediction of outcome. Until a Probability-based mind is built, the old short-term preservation mind you inherited from evolution will steer you.

Your Personality & Successful Trading - EarnForex

Successful trading is 80% psychological and 20% methodical. As I have already said, self-knowledge is the key to market success. A trading method by itself, no matter how well thought out, cannot be successful if it is not applied in the correct manner. It is in the application of a trading method that many traders end up losing. Consider the

THE TRADER'S WAY

The "Trader's Way" with Cannabis Paydays. By: Adam O'Dell. Some people will tell you it's the little things you do, consistently over time, that will lead you to success. Others say extraordinary success requires a big action at just the right time, or what's called "striking while the iron is hot." I think both approaches are right. If you don't save money consistently, you
