**The Moravian Mission Diaries of David Zeisberger, 1772--1781** David Zeisberger,Hermann Wellenreuther,Carola Wessel,2005 David Zeisberger (1721&-1808) was the head of a group of Moravian missionaries that settled in the Upper Ohio Valley in 1772 to minister to the Delaware Nation. For the next ten years, Zeisberger lived among the Delaware, becoming a trusted adviser and involving himself not only in religious activities but also in political and social affairs. During this time he kept diaries in which he recorded the full range of his activities. Published in English for the first time, The Moravian Mission Diaries of David Zeisberger offers an unparalleled insider&'s view of Indian society during times of both war and peace. Zeisberger&'s diaries, today housed at the Moravian Archives in Bethlehem, Pennsylvania, present a detailed picture of the effect of the American Revolution on one Indian nation&—not only on political issues but also in terms of its economy, culture, and demographic structure. A later portion of the diaries, covering the post&-Revolutionary War years, was translated and published in the nineteenth century, but the 1772&-81 diaries have never been published in English translation. This translation is based on the full scholarly edition of the diaries, which Wellenreuther and Wessel published in Germany in 1995. Publication of this volume will forever change the way we see the impact of the American Revolution on Indian life and on the Ohio country.

*My Journey of Love, Loss and Acceptance* Mary O'Farrell,2024-06-04 My Journey of Love, Loss and Acceptance And questions without answers is a story about the death of a loving, and much loved, husband and the myriad emotions that the author went through during the subsequent weeks and months of his passing. She sought comfort for her bereavement in the

pages of the bible and part of this manuscript describes the research she undertook of some of its passages. This work allowed her mind to stray from her grief, and, eventually over time, led her to peace and acceptance as she once again recalled what Dr. Elizabeth Kubler-Ross had said: Death is simply the shedding of the physical body like the butterfly shedding its cocoon. It is a transition to a higher state of consciousness where you continue to perceive, to understand, to laugh, and to be able to grow. If you, or someone you know, has found comfort from reading this story, I hope you will consider supporting Mercy Ships Canada, 3318 Oak St. Unit 5, Victoria, BC V8X 1R1 phone 1 + (250) 381-2160, whose website is [www.mercyships.ca](http://www.mercyships.ca) or the American Mercy Ships organization at P.O. Box 1930, Garden Valley, Texas 75771, whose website is [www.mercyships.org](http://www.mercyships.org). These amazing floating hospitals bring much needed free surgical and medical care to the poorest of the poor suffering in Africa. The members of the medical teams pay their own way on the ships and donate their expertise free of charge. They truly are angels from God who deserve all the help possible to do their incredible work.

**Glory Enough for All** Eric J. Wittenberg, 2007-07-01 After the ferocious fighting at Cold Harbor, Virginia, in June 1864, Union Lt. Gen. Ulysses S. Grant ordered his cavalry, commanded by Maj. Gen. Philip H. Sheridan, to distract the Confederate forces opposing the Army of the Potomac. *Glory Enough for All* chronicles the battle that resulted when Confederate cavalry pursued and caught their Federal foes at Trevilian Station, Virginia, perhaps the only truly decisive cavalry battle of the American Civil War. Eric J. Wittenberg tells the stories of the men who fought there, including eight Medal of Honor winners and one Confederate whose death at Trevilian Station made him the third of three brothers to die in the service of Company A of the Fourth Virginia Cavalry. He also addresses the little-known but critical cavalry battle at Samaria (Saint Mary's) Church on June 24, 1864, where Union Brig. Gen. David N. Gregg's division was nearly destroyed. The only modern strategic analysis of the battle, *Glory Enough for All* challenges prevailing interpretations of General Sheridan and of the Union cavalry. Wittenberg shows that the outcome of Trevilian Station ultimately prolonged Grant's efforts to end the Civil War.

**The Trumping of America** Pamela Hines, 2018-08 Trump alone is not to blame... How does it reflect on North American societal values when wealth trumps humanity, selfish individualism trumps compassion, the need to be entertained and to win trumps the truth, and racism and misogyny are rewarded with the most powerful position in the world? The political rise of Donald Trump, from the cutthroat Republican primary process to his move to the White House, has ushered in a new age of politics in the United States. This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump's presidency. Pamela Hines highlights the growing distortion of American democracy, which threatens political systems around the world. As a Canadian living just across the border, Hines provides a unique perspective on the international impact of the election; explores the roles of religion, racism, nationalism, and gender bias; and critiques the media and its reckless coverage of Trump's ascension. The Trump presidency is a wake-up call to citizens of the free world. Democracy is at risk, yet power remains in the hands of the people. This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices—while they still have the right to choose.
