The Monocle Guide to Shops, Kiosks and Markets Monocle, 2019-04-18 Monocle's latest book unpacks what makes a perfect shopping experience and offers tips on how to launch, design and run your own store. A must-have guide. The world of retail has never been so -challenged thanks to a mix of e-commerce, unimaginative brand owners and greedy landlords. Yet while many stores have -stumbled, a new generation of storekeepers and department store owners is arising. Is this the dawn of a new, independent age of bricks and mortar retail? Since launch the retail world has been one of the pillars of Monocle's editorial -coverage. On their travels around the world, the magazine's editors are constantly looking for well-designed fit-outs, the people setting new benchmarks in service and the stores offering the smartest product mix. At the heart of all this is an understanding that a memorable shopping experience relies on a delicate balance of an inviting space, a warm welcome and a sense of discovery (not to mention covetable products)--but an understanding, too, that shops and shopkeepers play an indispensable role in creating lively neighbourhoods and vibrant high streets. This new book from Monocle reveals the global media brand's 100 favourite shops worldwide, from the independent fashion boutique to the department store that takes up a city block. It also offers a few top tips and advice on how to launch and run your own retail venture, as well as a collection of sharp essays and snappy interviews. The Monocle Guide to Shops, Kiosks and Markets is a handbook for any aspiring shopkeeper, stocking a wealth of insight and inspiration.

The Monocle Book of the Nordics Tyler Brûlé, Robert Stickgold, 2022-04-12 The Monocle team heads north in this celebration of all things Nordic. This heavily illustrated book from Monocle is a celebration of the Nordic region, featuring some surprises, quirks—and maybe a sauna or two— along the way. Monocle's journalists, editors, and photographers have returned time and again to all corners of northern Europe for insights, inspiration, and ideas for living better. This book isn't

about hammering the overhyped hygge trend or fussing over foamy food. Much the opposite—it's about a shared but distinct set of values that have helped these nations excel in quiet diplomacy, thoughtful design, and reasoned debate. Monocle looks beyond the clichés and uncovers the people, companies, and stories that help the Nordic region rank highly in everything from art and architecture to eating well. Far from lumping these different nations together, the Monocle team will highlight the people, places and products that show the Nordics in all their nuances: lessons we can all learn from makers in Norway's high north or retailers reaching higher in Reykjavík; the firms building bridges in Denmark or selling Swedish soft power abroad. The world can learn a lot from these northern countries and *The Monocle Book of the Nordics* is the ideal place to start.

The Monocle Travel Guide to Mexico City Joe Pickard, Tyler Brûlé, Monocle, Andrew Tuck, 2018 Quesadillas sizzling on street corners outside cosy coffee shops; mariachi in sequined sombreros serenading late-night revellers; tower blocks casting long shadows over baroque churches and Aztec ruins studded with cacti. Mexico City simultaneously conforms to every stereotype and challenges every preconception with shameless self-assurance. We push past the colourful chaos and Frida Kahlo merchandise (although, naturally, we drop by her cobalt-blue home) to find the city's tastiest tacos and the retailers breathing new life into classic crafts. We lead you to our favourite mural-splashed buildings and the best places in which to practise your salsa - ending up in a dimly lit mezcal bar or two for good measure. There's never been a better time to visit the Mexican capital so dust off your dancing shoes and join the fiesta. Órale, amigos!--Provided by the publisher.

The Monocle Travel Guide to Marrakesh Monocle, 2019-10-30 Whichever city you choose - though we recommend all three, of course - you'll be charmed like a snake on Jemaa El Fna in no time. And to help you sift through the noise, here's our rundown of the best that Morocco has to offer. Marhaba! Morocco may be a short hop, skip and a jump across the Med from Europe but it feels like another world. Salesmen flaunting their wares in the souks, robed figures rushing to prayer and ancient palaces decked with dazzling tiles - it's easy to fall under its spell. Marrakech, on the cusp of both desert and mountain, offers old-world glamour and an enthralling sense of adventure. Casablanca, lapped by the Atlantic, is a thoroughly modern metropolis with a special affinity for art deco. And at the northernmost tip of the country is the eccentric cliffside city of Tangier, where many a writer and artist have pitched up and sought inspiration over the years.

The Monocle Guide to Drinking and Dining Monocle, 2016-09-30 Make the most of your food - and discover the best places to shop, drink and dine - with this brand new guide from Monocle.

The Monocle Travel Guide to Brussels and Antwerp Monocle, 2019-10-30 Brussels may be the heart of the EU but unassuming Antwerp has long been one of Europe's most prosperous ports. Join us as we drop anchor at both cosmopolitan hubs - and dip in and out of a few of Belgium's smaller, canal-laced cities in between. It's a boon and burden to Belgium that Brussels is the capital of both the country and the rest of Europe. There are many benefits to hosting this lofty seat of power

but the city can also fall victim to the associated red tape. An hour away by train, Antwerp is a more relaxed affair, where the creative and cultural scenes almost outshine the city's famous diamonds. For this travel guide we've toured both destinations and found plenty of gems throughout.

Mr Hudson Explores Gestalten, Robert Klanten, 2019-04-23 Based on Mr Hudson's identity, the book is featuring destinations for gays, but not necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

The Monocle Book of Gentle Living Tyler Brule, Andrew Tuck, 2021-01-05 A timely handbook helping readers think about how to slow down, reconnect, and live a gentler life. Monocle has always been a champion of taking it slow. Past issues have encouraged readers to dive into a lake and go for a run. To sleep well. To eat food made with love. Even today, in a tense

moment in history, the magazine has done its bit to argue for a new modern etiquette where communities are generous with their time, hospitality, and forgiveness. Now its editors and correspondents have brought all of this together into one volume with *The Monocle Manifesto for a Gentler Life*, a book that urges us all to slow down, reconnect, make good things, and think about the spaces we call home. Some of the highlights of this volume include: An illustrated guide to being nice, respecting your neighbors, and controlling your social media rants; practical tips on how to design a house that's good for you and your family; Q&As with the people who have decided to take a gentler approach to work and living; and a celebration of locally made food—with featured recipes—as well as the chefs that bring people together. The helpful tips and insights in this guide make it the perfect handbook for anyone looking to slow down and enjoy life.
