The Voyage of a Vice-Chancellor A. E. Shipley, 2017-06-23 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We

pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Sir Nathan Bodington First Vice-Chancellor of the University of Leeds William Henry Draper,2018-01-14 Excerpt from Sir Nathan Bodington First Vice-Chancellor of the University of Leeds: A Memoir It would not be right to send forth this short Memoir without expressing the writer's thanks, in which he knows well every reader will join, to those friends of the late Sir Nathan Bodington who have adorned its pages with some of their most valued recollections of this or that period in his career; in particular he would wish to name Mr. Warde Fowler, Fellow of Lincoln College, Oxford; Dr. Jayne, Bishop of Chester; and Sir Arthur Rucker, late Principal of London University. And these pages owe no less to the assistance throughout of Lady Bodington, without whose help, as will be evident, many of the incidents in the latter part of the book could not have been recorded. The Voyage of a Vice-chancellor, with a Chapter on University Education in the United States Arthur Everett Shipley,2017-08-19

The Vice Chancellor And The Cleaning Lady Charles Fall,2019-12-04 This is a comedic satire of life in a fictitious English university, taking place through an academic year, and centred around the fortunes of University North and of the newly-formed Department of Mathematics and History, a seemingly odd combination of subject areas. Central to the plot are the two main characters, Professor Kevin Flute, Vice Chancellor, and an extremely bright cleaning lady, Miss Deirdre Wetherby. To the outside world, academia may appear dull. In reality, a university is a place where behind-the-scenes politics and machinations, intrigue and bizarre events, become the norm, while maintaining a calm façade for hard-working students. And, what happens can be extremely funny! Note: Also available under the title 'University North', with author Paul Ainsley.
