Come heck or high water, Gracie Snow is determined to drag the legendary ex-jock Bobby Tom Denton back home to Heaven, Texas, to begin shooting his first motion picture. Breathing Room Susan Elizabeth Phillips 2009-10-13 Join the New York Times bestselling author on a journey to the sun-washed hills of Tuscany. Another sexy, wonderful, contemporary love story with all the heart, wisdom, and wit that have made Susan Elizabeth Phillips the gold standard for women's fiction. Dr. Isabel Favor, author of *Four Cornerstones for a Favorable Life*, has sacrificed everything to build her self-help empire. Then, in a matter of weeks, it all comes crashing down. She loses her money to an unscrupulous accountant, her fiancé to a frumpy older woman, and her reputation to headlines denouncing her as a fraud. America's diva of self-help soon discovers she can fix everyone's life but her own. Broke, heartsick, and soul-weary, she heads for Italy in search of a little breathing room. Lorenzo Gage makes his living killing people... on the silver screen, that is. He's viciously handsome and sublimely talented. But as he begins his vacation in Italy, he's also vaguely dissatisfied. Being a villain with a face to die for has its rewards, but he hates the feeling that everything he's neglected in life is catching up with him. Then he spots Isabel sipping a glass of wine in a sidewalk café. A good guy wouldn't think of seducing such a tidy-looking woman... but he'd

never seen the fun in playing the hero. It doesn't take long for Isabel to realize she's escaped one kind of chaos only to be plunged into another. Even the shelter of a simple stone farmhouse nestled in a Tuscan olive grove can't provide her with the refuge she needs—not when the townspeople are scheming to drive her away, and her plan to restore her reputation has come up empty. And especially not when the man who deceived her refuses to leave her in peace. *Breathing Room* is a book for any woman who's dreamed of wandering through a vineyard, of lazing under the Tuscan sky, or of reforming a deliciously wicked man. This is a story of hope and renewal, of love and redemption when it's needed the most. Sometimes it takes a special place... a special love... a little breathing room... for life to deliver all its glorious promise.

Good luck with that. "There's been a terrible misunderstanding, Mr. Denton. Can't you see that I don't look like a stripper?" Gracie snatched up her suit jacket. "Please. Could we go somewhere private to talk?" Bobby Tom sighed and uncoiled from his chair. "I s'pose we'd better. But you've got to give me your word you'll keep your clothes on. It wouldn't be fair for me to see you naked when my party guests can't." "I promise, Mr. Denton, that you will never see me naked." He looked doubtful. "I don't mean to question your good intentions, honey, but judging from my past history, it might not be that easy for you to resist." Wilder With You Serena Bell 2022-02-15 Who knew pretending could be so hot? Clark: It started as a joke. After all, I'd never pretend to date a woman just to get my mom and sister off my back. I would, however, pretend to date her to get her ex-husband off hers. Now the two of us, the wilderness warrior and the wedding planner, are stuck sharing a very small tent. I had no idea how fast things would heat up in here, or how hard it would be to keep my hands—among other things—to myself. I also didn't guess how quickly the news of our "relationship" would spread to my big, nosy family. We can't "break up" yet, because she's planning my brother's wedding and I'm his best man. Through venue visits, DIY disasters, and Vegas trips, we're thrown together, and the chemistry's off-the-charts. But the kicker is, I feel like she gets me. Maybe that's what scares me the most. I'm still reeling from the loss of my wife, and she's still hurting from her ex's betrayal. There's no way this can ever be real. But what if I'm starting to hope it is?

[This Heart of Mine](#) Susan Elizabeth Phillips 2001-02-06 New York Times bestselling author Susan Elizabeth Phillips magic is vibrantly alive, and it's on display in *This Heart of Mine*, the fifth book in her wildly popular Chicago Stars series! Molly Somerville loves her career as the creator of the Daphne the Bunny children's book series, but the rest of her life could use some improvement. She has a reputation for trouble that started even before she gave away her fifteen-million-dollar inheritance. Then there's her long-term crush on the quarterback for the Chicago Stars football team her sister owns—that awful, gorgeous Kevin Tucker, a man who can't even remember Molly's name! One night Kevin barges into Molly's not-quite-perfect life and turns it upside down. Unfortunately, the Ferrari-driving riving, poodle-hating jock isn't as shallow as she wishes he were, and she soon finds herself at a place called Wind Lake. Surrounded by paintbox cottages, including a charming old bed-and-breakfast, Molly and Kevin battle their attraction and each other as they face one of life's most important lessons. Sometimes love hurts, sometimes it makes you mad as hell, and sometimes—if you're lucky—it can heal in a most unexpected way.
