technology, research and innovation; gender equality, youth empowerment and the provision of basic services including health, nutrition, education, shelter, water and sanitation 12 Africa's collective GDP will be proportionate to her share of the world's population and natural resource endowments 13 Africa's agriculture will be modern and productive, using science, technology

Introduction: The Role of Black Consciousness ...

and reflectively responsible moral agents Black Consciousness has contributed to the women's movement a literacy that is essential to the future of the movement because the lack of reading, writing and critical skills serves to exclude many women from consciousness Not only that, it excludes many from the political process and the labour market I regard literacy as more than being able to

Literacy as Freedom - American Experience

key to empowerment was literacy Slaves who tended to young white children, helping to dress them and carry their books to school, watched as they

grew into successful adults and witnessed firsthand the benefits of an education. The lack of reading and writing capabilities was frustrating for many as it hampered the ability to do such simple things as record a marriage or the birth of a child.

political empowerment, and so on. "In Quest of "Human Security" Japan Review of International Affairs 141 (2000): 79-4. Government Definitions
Government of Canada: "For Canada, human security means freedom from pervasive threats to people's rights, safety or lives"... "Canada has identified five foreign policy priorities for advancing human security: 1. Protection of

Rapporto Imprenditoria Femminile 2020

1. Come afferma l'OCSE, sostenere l'uguaglianza di genere significa sostenere il benessere e la felicità: «Gender equality is not just about economic empowerment. It is a moral imperative, it is about fairness and equity, and includes many political, social and cultural dimensions. Gender equality, however, is also a key factor in self-reported well-being and happiness across the world».
