**Survivor** Sam Pivnik 2012 Sam Pivnik is a survivor of a world that no longer exists - on 14 occasions, he should have been killed. On his 13th birthday, the Nazis invaded Poland. He survived two ghettos and 6 months on Auschwitz’s notorious Rampkommando where prisoners were either sent to camp or gassed. After this, he was sent to work at the brutal Furstengrube mining camp. As the Third Reich collapsed, he was only one of a handful of people who swam to safety after the RAF sank his prison ship. Settling in London, he found people too preoccupied with their own experiences on the Home Front to be interested in what had happened to him. Now in his eighties, he tells his story for the first time.

**Secret Lisbon** Vitor Manuel Adrio 2010 Why is the Portuguese coat of arms set at an angle of 17° on the façade of Rossio station? Where in Portugal was The Magic Flute played for the first time and why did Mozart dedicate it to his master Cagliostro? What is the theory concerning the fifth dynasty of Portugal, traces of which are found in the street layout? Where can you find the most beautiful azulejos secreted around the city? Why and how did Lusitania become Portugal (Porto Graal), the place harbouring the legendary Holy Grail? Where can you find the Lisboan serial killer’s head preserved in formalin? Why was the south doorway of the Jerónimos Monastery designed according to Hebrew Kabbalistic principles? What symbols are concealed within the Saint Vincent polyptych at the Museum of Antique Arts? Who in fact are the Sebastianists, messianic in the style of Shiite Muslims, awaiting the return of the lost King Sebastian? Since the Middle Ages Lisbon has been a favourite site for the development and application of the theories of alchemist kings, masonic ministers, occult poets, followers of hermeticism and the secret knowledge of the Knights Templar, who found refuge in Portugal after they were banned from the rest of Europe in the 14th century. Vitor Manuel Adrião, acclaimed historian and philosopher, is heir to all this esoteric knowledge in Portugal. Here for the first time he reveals his incredible knowledge in this truly initiatory guide, with a mind-boggling interpretation of the arcana of a city which some consider is on the way to becoming the spiritual capital of Europe. An exceptional guide.
