- European Union - 28 Member States
- Member States and their regions have full competence in implementing their respective tourism policies
- EU competence (after the Lisbon Treaty art 195) is to : Complement, support and coordinate the action of the Member States in the tourism sector

How? By:

- Encouraging the creation of a favorable environment for the development of

U.S. Foreign Policy in 2021: Five Priorities for a ...

The European Union is scheduled to propose legislation in 2021 and 2022 on issues such as economic recovery, trade, digital taxes, the regulation of social media, tariffs tied to carbon consumption, and the rule of law. It is possible that European regulations will set standards globally (as happened with European privacy rules for digital

Azerbaijan and Armenia: The Nagorno-Karabakh Conflict

The 2020 war also may increase the influence of regional powers Russia and Turkey, and potentially Iran. Long-standing US policy over several Administrations has been to facilitate a resolution to the Azerbaijan-Armenia conflict that would achieve a negotiated settlement of Nagorno-Karabakh's political status, peaceably restore Azerbaijani control over territories surrounding Nagorno

Global Energy Review 2021 - .NET Framework

Coal demand in the United States and the European Union is also rebounding, but is still set to remain well below pre-crisis levels. The power sector accounted for only 50% of the drop in coal-related emissions in 2020. But the rapid increase in coal-fired generation in Asia means the power sector is

expected to account for 80% of the rebound in 2021 Global Energy Review 2021 Key findings

Global Dairy Sector - Trends and opportunities

Slowing demand from China, Russia's trade embargo and the removal of EU milk quotas, resulted in a period of excess supply and low prices. Despite this, the long term outlook for the sector remains positive. Rising populations and changing diets are increasing demand for dairy. As incomes rise and nations become increasingly urbanised, individuals tend to receive more of their calories from

Latin America and the Caribbean: Impact of COVID-19

15/10/2021 · Both China and Russia have sold, and in some cases donated, COVID-19 vaccines to countries in the region, and the United States ramped up donations beginning in June 2021 (see below). In terms of COVID-19 vaccine manufacturing in the region, Cuba has developed and produced two vaccines, two Brazilian companies have manufactured some COVID-19 vaccines, and two other ...
