The Portuguese A Modern History

A Concise History of Portugal

The making of modern Portugal began with the revolution of 1640 and a twenty-eight-year war with Spain The people of Portugal are of course very much older than the modern state and their his-tory is long and rich Indeed the medieval kingdom of Portugal is sometimes described as Europe's earliest surviving polity The cul-

A History of Portugal and the Portuguese Empire

"This book provides a comprehensive and stimulating view of the history of the early modern Portuguese Empire Without losing sight of chronology and geography, political projects, and economic trends, Disney skillfully elab-orates on key issues of the social history of overseas Portugal, such as the nature of colonial societies or the relevance of informal settlements The author masters
