Business Strategies for Sustainability Helen Borland,Adam Lindgreen,Francois Maon,Véronique Ambrosini,Beatriz Palacios Florencio,Joelle Vanhamme,2018-10-03 Business Strategies for Sustainability brings together important research contributions that demonstrate different approaches to business strategies for sustainability. Many corporate initiatives toward what firms perceive to be sustainability are simply efficiency drives or competitive moves - falling far short of actual strategies for ecological sustainability. To suggest true ecological sustainability strategies, this new research anthology adopts an interdisciplinary, or transdisciplinary, approach to discern what business strategies might look like if they were underpinned by environmental and ecological science. The 23 chapters in this anthology reflect five main topic sections: (a) delineating sustainability challenges and visions; (b) contradiction, integration and transformation of business and sustainability logics; (c) innovating and developing strategic capabilities for sustainability; (d) assessing and valuing sustainability; and (e) toward multi-level engagement and collaboration.

Poultry Science Colin G. Scanes,Karen D. Christensen,2019-11-06 Poultry production continues to make tremendous advances. This thoroughly revised fifth edition of Scanes' seminal, comprehensive text presents students and professionals alike with valuable, research-based material relevant to all stages of a poultry career. Areas covered include global and commercial poultry production; poultry business organization; and production of meat chickens (broilers), turkeys, eggs, ducks, geese, game birds, and other poultry. Other chapters cover the fundamental science behind production: poultry biology, genetics, behavior, diseases/health, housing, ventilation, and processing. New or greatly expanded sections cover biosecurity; poultry stress/welfare; feed additives; food safety; incubation; controlling pests; poultry waste and environmental issues; brooding; and organic, free-range, and niche poultry production. "Points for Discussion" and "Deeper Dive" sections highlight key examples and provide further context and empirical data for critical areas in poultry production, giving students a first-hand look at issues in both small and large operations. The book concludes with an in-depth, invaluable chapter on applying for internships and positions for the start of a successful career.

The Story of Manitoba Frank Howard Schofield,1913 This collection of biographies of Manitobans was compiled by the S. J. Clarke Publishing Company, and published in Winnipeg in 1913. Most of those featured in the book were living at that time, so no information on death dates were provided.

Monastic Archaeology Graham Keevill,Mick Aston,Teresa Hall,2017-01-31 The study of monasteries has come a long way since late the late 19th century. The emphasis has shifted away from reconstructing the layouts of monastic buildings to a better understanding of the wider monastic environment. The papers in this volume, partly based on a conference held in Oxford in 1994, are written by some of today's foremost scholars and reflect the diversity of research now being carried out.

Atlas of the Irish Revolution John Crowley, Donal Ó Drisceoil, Mike Murphy, John Borgonovo, 2017-09-01 The Atlas of the Irish Revolution is a definitive resource that brings to life this pivotal moment in Irish history and nation-building. Published to coincide with the centenary of the Easter Rising, this comprehensive and visually compelling volume brings together all of the current research on the revolutionary period, with contributions from leading scholars from around the world and from many disciplines. A chronological and thematically organized treatment of the period serves as the core of the Atlas, enhanced by over 400 color illustrations, maps and photographs. This academic tour de force illuminates the effects of the Revolution on Irish culture and politics, both past and present, and animates the period for anyone with a connection to or interest in Irish history.
