Breathe in Jesus and Other Poems Dr. Victoria Z. Veloria,2015-10-09 Breathe in Jesus and Other Poems is a collection of stories in poetry form that revolves within and around the writers life and those near herher family and circle of friends. It is the reflection of life itselfs beauty and bliss, wounds and scars brought by trials, and Gods own way of revealing Himself, lighting the path and directing those who seek Him. It is in the spirit of sharing and witnessing to the Lords glory and grace that events are unfolded and not on personal note to conceal what the general public may consider private. For it is said, Whoever boasts should boast in the Lord (2 Corinthians 10:17). Breathe in Jesus is meant to inspire the broken-hearted and those who suffer or are still undergoing persecution and loss in different degrees or measure. Not until one sees others suffering or loss could he understand himself and his situation, not until he is shown the manifestation of Gods intervention would enable him to reflect too and be able to see what the Lord has in store for him, and not until he calls on Him could he find God and be blessed by Him! It is on this motive that this book is written, for indeed, the Word of the Living God rules the human heart and makes it breathe in Jesus!

Chief Joy Officer Richard Sheridan,2018-12-04 A 2018 Nautilus Book Award Winner for Business and Leadership! The founder of Menlo Innovations and author of the business culture cult classic Joy, Inc offers an inspirational guide to leaders seeking joy in the challenge of leading others. Rich Sheridan's Joy, Inc. told the story of how his tiny software company in Ann Arbor, Michigan achieved success and renown by embracing offbeat culture and human-centered values. In Chief Joy Officer, he turns his attention from culture to leadership, and draws on his experience running Menlo and consulting elsewhere to offer a wise, provocative guide on how anyone can build leadership capacity for joy within their own organization. Chief Joy Officer offers sage, hard-won advice to any manager or leader who yearns to make more of an impact on the lives of others, including: * Self-understanding is the cornerstone for every virtue of leadership: authenticity, trust, humility, and optimism. * Good leaders make more leaders: Learn to judge your performance not on whether people are doing what they're told, but whether they're developing independent leadership capacity. * Influencing up is just as important is influencing down: how to encourage different thinking in those above you in your organizations. Filled with colorful anecdotes from Sheridan's personal journey and wisdom from many leadership mentors, Chief Joy Officer offers an approachable, down-to-earth philosophy and practice that will help even the most disillusioned of middle managers bring a renewed sense of purpose to their work building others.
