Segreti dei Gonzaga, etc. [With plates, including portraits.] Maria BELLONCI,1947

Francesco e Isabella Luca Sarzi Amadè,2022-07-08T00:00:00+02:00 Francesco II Gonzaga e Isabella d'Este furono due protagonisti dell'Italia del Rinascimento. Trasformarono una piccola città come Mantova in uno dei centri culturali e politici del continente e vissero pericolosamente tra intrighi, guerre e congiure. Nel passaggio tra Quattro e Cinquecento i Gonzaga e Mantova raggiunsero la loro età dell'oro. Di questo periodo, in cui la città virgiliana si trasformò in una delle capitali d'Europa, furono protagonisti incontrastati Francesco II e la moglie Isabella d'Este. I due sposi non potevano essere più diversi: Francesco uomo d'armi e d'azione; Isabella raffinata, elegante e colta. Eppure le differenze si integrarono in una complementarità fondata sull'ambizione di accrescere il prestigio del marchesato e di vedere confermata la sua indipendenza nelle turbinate lotte tra principati e interventi delle grandi nazioni. Nell'intreccio di vicende strettamente umane (romanzesche, tuttavia mai romanzate) sfilano Leonardo, Perugino, Raffaello e Mantegna. E poi il Castiglione, Pico della Mirandola, Boiardo, Ludovico Ariosto, Poliziano e altri volti oggi dimenticati. Protagonisti diventano anche gli animali: uccelli, cani e cavalli che hanno contribuito a scrivere la storia della Dinastia. Come in un affresco, è restituita l'anima a volti, personaggi e luoghi oggi irriconoscibili, ridestandoli dal sonno delle carte e dei troppo spesso astratti libri.

Oltre l'ideologia Riccardo Tantarri,1984

A Prince of Mantua. The Life and Times of Vincenzo Gonzaga ... Translated ... by Stuart Hood [from the Section Entitled "Il Duca Nel Labirinto" from "Segreti Dei Gonzaga"]. Maria BELLONCI,Stuart C. HOOD,1956

Italian Quarterly Carlo Luigi Golino,2000

Rinascimento privato Maria Bellonci,2010-10-07 Meditato per vent'anni, Rinascimento privato è il libro più bello, e più intenso, di Maria Bellonci, fondatrice tra l'altro del prestigioso premio Strega. In queste pagine si racconta la vicenda di Isabella d'Este, divenuta marchesa di Mantova dopo il matrimonio con Francesco Gonzaga.

Libri di spirito Gabriela Zarri, 2017-05-10 Destinatari della letteratura in volgare sono i laici che non conoscono il latino e le donne. A partire dal secolo XV, in connessione con un crescente processo di alfabetizzazione nelle città mercantili e nella società aristocratica e di corte, anche le donne, da prevalenti lettrici, diventano autrici di testi religiosi in prosa e poesia; alcuni dei loro scritti raggiungono la stampa. Il volume, strutturato in tre sezioni, analizza dapprima i libri destinati ai laici, senza distinzione di genere, e prende poi in considerazione le donne come scrittrici e come lettrici di testi religiosi. I saggi che compongono il volume hanno come referente storiografico primario gli studi di carattere storico-religioso dell'età della Riforma e della Controriforma e tengono conto dei paralleli sviluppi di discipline specialistiche come quella della storia del libro, della stampa, delle biblioteche a cui l'autrice deve importanti suggestioni. La nascita degli *women's studies* ha inoltre ispirato la scelta di approfondire il contributo specifico che le donne hanno rivestito nella produzione di testi di carattere religioso, completando un panorama delle donne scrittrici dell'età rinascimentale e della prima età moderna, indagate specialmente nella loro produzione di tipo 'profano'.

Poésie italienne de la Renaissance, 1999

Gonzaga Gian Luca D'Errico, 2022 La storia dei Gonzaga fa segnata da un'alternanza di successi e fallimenti che li portò, dal nulla, a splendere tra le antiche famiglie italiane ed europee. Il fondatore, Ludovico, fu il grande artefice del colpo di Stato che dal 1328 condusse la dinastia a governare Mantova, e non solo, per quasi quattro secoli, confrontandosi alla pari con i principali casati dell'Italia rinascimentale. Vissero il loro tempo con tutte le contraddizioni delle corti dell'epoca, non mancarono adulteri, congiure e fratricidi, ma furono anche amanti della cultura e grandi mecenati; resero eterni artisti come Andrea Mantegna o Leon Battista Alberti, trasformando Mantova in un gioiello universale. --

Baldus Teofilo Folengo, 2024-05-19 Il *Baldus* di Teofilo Folengo è un poema eroico-parodistico del Cinquecento di indubbio valore letterario e linguistico. In questa pregevole traduzione in ottave - o per meglio dire "travestimento", come scrive il curatore di questo volume - l'italiano moderno prende il posto del linguaggio macaronico dell'epoca. La scrupolosità della traduzione, il rispetto del testo e l'insieme degli effetti umoristici vengono tuttavia mantenuti inalterati, restituendo la bellezza e la complessità di un'opera che era anche una critica alla società di allora. Infarcito di volgarità e di espressioni difficilmente comprensibili nell'originale, perché frutto di un miscuglio di linguaggi, tra cui il dialetto mantovano, questa traduzione di Matteo Laterza è un tributo che getta nuova luce su un autore degno di maggiore considerazione nella storia della letteratura cinquecentesca. L'ampia introduzione, di doverosa lettura prima del godimento dell'opera, è una disamina storica e letteraria sull'autore e sul contesto letterario del Cinquecento, ricco di opere che hanno segnato la storia del nostro Paese e i caratteri socio-culturali e linguistici di una futura nazione. Matteo Laterza è nato a Bari nel 1958. Si laurea in Lettere col massimo dei voti all'Università degli Studi "Aldo Moro" di Bari nel 1981, con una tesi di Filologia italiana. Successivamente, nel 1983 intraprende la carriera di docente: prima in una scuola privata di Bari; poi, per tre anni, come

docente di Lettere nella scuola secondaria statale di primo grado; infine nei licei statali, tra i quali il liceo classico "A. Calamo" di Ostuni (Br), dove ha prestato servizio come insegnante di Italiano e Latino per quattordici anni. Contemporaneamente, dal 2002 si dedica alla traduzione (o travestimento in ottave di endecasillabi) del poema macaronico Baldus, composto nel Cinquecento da Teofilo Folengo, che porta a termine nel 2021. Ha anche pubblicato a livello locale dei brevi saggi sul Pascoli latino, su F. Bracciolini e Lo scherno degli dèi e su Thomas May (autore della continuazione del Bellum civile di A. Lucano). È in pensione dal 2021. Vive a Bisceglie con la moglie e ha una figlia.

La stella d'Italia; o, Nove secoli di Casa Savoia Pietro Corelli, 1862

La stella d'Italia, o Nove secoli di casa Savoia, 1862

Il quarto segreto di Fatima Antonio Socci, 2012-12-19 'Il 13 maggio del 2000 il Vaticano svela al mondo il Terzo segreto di Fatima: la visione di un vescovo vestito di bianco che sale in mezzo ai cadaveri verso una croce, ai piedi della quale è ucciso da alcuni soldati. Il contenuto dell'attesa rivelazione, interpretata come profezia dell'attentato subito da papa Giovanni Paolo II il 13 maggio del 1981, genera tuttavia perplessità e dubbi in parte dei fedeli e degli osservatori. Per quale motivo tenere nascosto per tanto tempo un messaggio legato a un evento già accaduto? E come spiegare il silenzio e l'isolamento imposti a suor Lucia fin dal 1960? Si fa strada, nelle pagine di articoli e pubblicazioni, l'ipotesi che una parte del segreto, la parte principale, non sia stata resa pubblica perché troppo sconvolgente. In questo appassionante saggio di inchiesta, Antonio Socci ripercorre le dichiarazioni, i testi, le contraddizioni legati a una delle vicende più misteriose del Ventesimo secolo e propone la sua ipotesi sul "quarto" segreto di Fatima.'

Profezia e disciplina Gabriella Zarri, 2021-11-15T00:00:00+01:00 La religione del secolo XVI assiste ad una svolta epocale caratterizzata da alcuni cambiamenti: il rifiuto della religiosità «del corpo», tipica del periodo basso medievale, in favore di una concezione interiore della religione; il rifiuto degli aspetti leggendari e mitici delle credenze religiose in nome della «storicità» dei fenomeni relativi alla santità; il diverso ruolo del matrimonio e della famiglia nei confronti dell'educazione religiosa, determinato dall'abolizione delle istituzioni monastiche nelle chiese della Riforma protestante. Conseguenza diretta e immediata di questi mutamenti culturali è il progressivo eclissarsi delle posizioni di leadership che le donne avevano conseguito tra i secoli XIII-XVI e l'instaurarsi di una «religione maschile», caratterizzata dall'interiorizzazione e razionalizzazione dei fenomeni religiosi la cui direzione è riconosciuta ufficialmente all'autorità dei Padri: siano essi i pastori, i padri spirituali, gli inquisitori o i padri di famiglia. La pubblicazione è frutto della collaborazione tra la casa editrice Marietti 1820 e la Fondazione Collegio San Carlo di Modena. Lo storico istituto privato, nato nel Seicento come Collegio dei Nobili, si occupa di formazione e ricerca negli ambiti della filosofia, delle scienze umane e sociali e delle scienze religiose attraverso la Scuola internazionale di alti studi, il Centro culturale e il Centro studi religiosi.

Giulia Gonzaga Susanna Peyronel Rambaldi, 2021-07-26T14:17:00+02:00 The life of Giulia Gonzaga - a leading figure in

a delicate time of transition in 16th-century Italian political, cultural and religious history - brings this period and its dramatic turning-points alive. A favoured disciple of Juan de Valdés and at the centre of his group of followers, as well as a loyal friend of the protonotary Pietro Carnesecchi, who was condemned for heresy and executed, Giulia Gonzaga was strongly tied to her class, her powerful dynasty and to family and political intrigues. Under the shadow of her family, she enjoyed a heterodox experience shared by many others, men and women alike, who were protagonists of an intellectual and spiritual dissent that was harshly repressed by the Church of Rome. Through the life of a woman, this book recounts the shifts in the political balance of power in Italy in the early years of Spanish dominion and how they mixed with religious dissent and with attempts to change the direction of the Church. It also recounts the relationships, friendships and solidarities of an aristocracy, male and female, that sought to play a role in the bitter conflicts that had emerged in Italian society as the Reformation spread throughout Europe.

Milan and Lombardy in the Renaissance Cynthia Munro Pyle, 1997
