The Smile Thief Fatou Keïta,1997 One of a series of readers for African students which aims to help them to develop an awareness and a love of language, and consists of stories from all over Africa. La voleuse de livres Markus Zusak,2007 1939, en Allemagne nazie. Liesel Meminger et son jeune frère sont envoyés par leur mère dans une famille d'adoption en dehors de Munich. Le père de Liesel a été emporté par le souffle d'un seul et

étrange mot, le communisme, et Liesel a vu la peur d'un destin semblable se dessiner dans les yeux de sa mère. Sur la route, la Mort rend visite au frère de Liesel et la remarque. Ce sera la première d'une longue série d'approches. Durant l'enterrement de son frère, la vie de Liesel va basculer alors qu'elle trouve un objet singulier, partiellement caché sous la neige. C'est le Manuel du fossoyeur, tombé ici par hasard, et qui changera sa vie... Avant de rejoindre sa nouvelle famille, Hans et Rosa Hubermann, la jeune Liesel ne sait pas encore lire. Son père adoptif, un joueur d'accordéon, lui apprendra, d'abord avec le Manuel du fossoyeur, puis, plus tard, avec des trésors volés, dont un livre banni qu'elle sauve, malgré les dangers, d'un autodafé. Les vols que commet Liesel viennent de la faim intense de comprendre ce qui se passe autour d'elle. Sans argent pour acheter ces livres tant convoités, elle les subtilise aussi secrètement que sa famille d'adoption cache un Juif prénommé Max dans leur sous-sol. Liesel fait la lecture à ses voisins lors des bombardements, également à son nouvel ami Max qui lui écrit des histoires sur les pages repeintes en blanc d'un exemplaire de Mein Kampf. Un des rares livres qu'elle n'aura pas volé. À mesure que l'histoire avance, la Mort s'empare de nombreuses vies mais Liesel et ses livres continuent à lui échapper. D'après les mots mêmes de la Mort, elle est une experte pour se mettre à l'écart.

Guardian of Secrets Brenda Drake,2017-02-07 The follow up to the New York Times bestselling novel, THIEF OF LIES! Being a Sentinel isn't all fairytales and secret gardens. Sure, jumping through books into the world's most beautiful libraries to protect humans from mystical creatures is awesome. No one knows that better than Gia Kearns, but she could do without the part where people are always trying to kill her. Oh, and the fact that Pop and her had to move away from her friends and life as she knew it. And if that isn't enough, her boyfriend, Arik, is acting strangely. Like, maybe she should be calling him "ex," since he's so into another girl. But she doesn't have time to be mad or even jealous, because someone has to save the world from the upcoming apocalypse, and it looks like that's going to be Gia. Maybe. If she survives. The Library Jumpers

series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

Gossamer Lois Lowry,2006-04-24 A novel “as haunting as a dream” from the New York Times-bestselling, Newbery Medal-winning author of *The Giver* (Kirkus Reviews, starred review). Where do dreams come from? What stealthy nighttime messengers are the guardians of our most deeply hidden hopes and our half-forgotten fears? This imaginative novel confronts these questions and explores the conflicts between the gentle bits and pieces of the past that come to life in dream, and the darker horrors that find their form in nightmare. In a haunting story that tiptoes between reality and fantasy, two people—a lonely, sensitive woman and a damaged, angry boy—face their own histories and discover what they can be to one another, renewed by the strength that comes from a tiny, caring creature they will never see. “Lyrical, richly descriptive prose ushers readers into a fascinating parallel world inhabited by appealingly quirky characters.”—Publishers Weekly (starred review) “A beautiful novel with an intriguing premise.”—School Library Journal (starred review)

Getting the Girl Markus Zusak,2013-05-28 In the final novel of the acclaimed Wolfe Brothers Trilogy, Cameron Wolfe goes looking for love as he attempts to escape his brother’s shadow. Cameron Wolfe is a loser. He knows it. He’s the quiet one, not a soccer star like his brother Steve or a charming fighter with a new girl every week like his brother Rube. Cam would give anything to be near one of those girls, to love her and treat her right. He especially likes Rube’s latest, Octavia, with her brilliant ideas and bright green eyes. But what woman like that would want a loser like him? Maybe Octavia would, Cam discovers. Maybe he has talents and passions just waiting to be discovered. And those maybes are about to change everything: winning, loving, losing, the Wolfe brothers, and Cameron himself.

The Post Office Girl Stefan Zweig,2011-08-18 It's the 1930s. Christine, a young Austrian woman whose family has been impoverished by the war, toils away in a provincial post office. Out of the blue, a telegram arrives from an American aunt she's never known, inviting her to spend two weeks in a Grand Hotel in a fashionable Swiss resort. She accepts and is swept up into a world of almost inconceivable wealth and unleashed desire, where she allows herself to be utterly transformed. Then, just as abruptly, her aunt cuts her loose and she has to return to the post office, where - yes - nothing will ever be the same.

Diary of an Oxygen Thief Anonymous Author,2016-08-18 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

Assassin of Truths Brenda Drake,2018-02-06 The gateways linking the great libraries of the world don't require a library card, but they do harbor incredible dangers. And it's not your normal bump-in-the- night kind. The threats Gia Kearns faces

are the kind with sharp teeth and knifelike claws. The kind that include an evil wizard hell-bent on taking her down. Gia can end his devious plan, but only if she recovers seven keys hidden throughout the world's most beautiful libraries. And then figures out exactly what to do with them. The last thing she needs is a distraction in the form of falling in love. But when an impossible evil is unleashed, love might be the only thing left to help Gia save the world. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

Underdogs Markus Zusak, 2011-08-01 From the bestselling author of *The Book Thief* Before *The Book Thief*, Markus Zusak wrote a trilogy of novels about the Wolfe Brothers: *The Underdog*, *Fighting Rueben Wolfe*, and *Getting the Girl*. Cameron and Ruben Wolfe are champions at getting into fights, coming up with half-baked schemes, and generally disappointing girls, their parents, and their much more motivated older siblings. They're intensely loyal to each other, brothers at their best and at their very worst. But when Cameron falls head over heels for Ruben's girlfriend, the strength of their bond is tested to its breaking point. We're proud to present these novels together for the first time, and to be introducing American readers to *The Underdog*, never before published in the United States. Fans of *The Book Thief* won't want to miss reading the novels that launched Markus Zusak's stellar career.

The Prince and the Witch and the Thief and the Bears Alastair Chisholm, Alastair Chisholm Alastair, Jez Tuya Jez, 2019-05 An action-packed storytelling adventure that flips the traditional fairy tale on its head. When it's time for Jamie's bedtime story, his dad begins to tell an age-old fairy tale about a prince in a faraway land full of dragons, wolves and princesses in distress. Inquisitive Jamie can't help but add to his dad's story, and the prince is soon joined by an evil-eyed witch who turns people to jelly, a broccoli-wielding ninja frog and a jewel-thief, lock-picking princess. It may not be the story Dad set out to tell, but together, he and Jamie create something much more energetic and hilarious than they could have alone.
