**Beggar Your Neighbours** Joseph Hanlon,1986 Joseph Hanlon pieces together the details of apartheid South Africa's military attacks on its neighbours, and relates them to the control the apartheid system exercises through its economic power and control of the transport system in the region. **Just Give Money to the Poor** Joseph Hanlon,Armando Barrientos,David Hulme,2012-03 \* Argues strongly for overlooked approach to development by showing how the poor use money in ways that confound stereotypical notions of aid and handouts \* Team authored by foremost scholars in the development field Amid all the complicated economic theories about the causes and solutions to poverty, one idea is so basic it seems radical: just give money to the poor. Despite its skeptics, researchers have found again and again that cash transfers given to significant portions of the population transform the lives of recipients. Countries from Mexico to South Africa to Indonesia are giving money directly to the poor and discovering that they use it wisely “ to send their children to school, to start a business and to feed their families. Directly challenging an aid industry that thrives on complexity and mystification, with highly paid consultants designing ever more complicated projects, Just Give Money to the Poor offers the elegant southern alternative “ bypass governments and NGOs and let the poor decide how to use their money. Stressing that cash transfers are not charity or a safety net, the authors draw an outline of effective practices that work precisely because they are regular, guaranteed and fair. This book, the first to report on this quiet revolution in an accessible way, is essential reading for policymakers, students of international development and anyone yearning for an alternative to traditional poverty-alleviation methods.

Equiano, the African Vincent Carretta,2022-09-01 This definitive biography tells the story of the former slave Olaudah

Equiano (1745?-1797), who in his day was the English-speaking world's most renowned person of African descent. Equiano's greatest legacy is his classic 1789 autobiography, *The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African, Written by Himself*. A key document of the early movement to ban the slave trade, as well as the fundamental text in the genre of the African American slave narrative, it includes the earliest known purported firsthand description by an enslaved victim of the horrific Middle Passage from Africa to the Americas. Equiano, the African is filled with fresh revelations about this many-sided figure.

**Peace Without Profit** Joseph Hanlon,1996 This text looks at the economic problems facing post-civil war Mozambique. It argues that following the dictates of the IMF/World Bank has prevented the country from rebuilding itself, and asks whether aid can ameliorate the distortions imposed by these organizations. The author explains the donor case, and considers what lessons there are for other African countries which must follow Mozambique's experience - Liberia, Rwanda, Zaire, Somalia, Sudan and Angola.

**The African Union** Timothy Murithi,2017-07-12 The African Union was established in July 2002 by African leaders, evolving from the Organization of African Unity (OAU). However the idea of the African Union can be traced to the Pan-Africanist movement. Timothy Murithi looks at the emergence of Pan-Africanism and how it was institutionalized through the Pan-African Congress and the OAU. He argues that the African Union represents the third phase of the institutionalization of Pan-Africanism. The book examines the limitations of the OAU and discusses whether the African Union can adopt a more interventionist stance in dealing with peacebuilding and development in Africa. The volume assesses the African Union's peace and security institutions and analyzes how it is beginning to collaborate with civil society. It takes a critical look at the Union's New Partnership for Africa's Development (NEPAD) and argues that Africa needs to adopt a developmental and governance agenda that will be much more responsive towards improving the well-being and livelihood of its peoples.

**Disorientations** Susan Martin-Márquez,2008-10-01 Exploring the fraught processes of Spaniards' efforts to formulate a national identity - from the Enlightenment to the present - this book focuses on the nation's Islamic-African legacy, disputing the received wisdom that Spain has consistently rejected its historical relationship to Muslims and Africans.

*The Sanctions Handbook* Joseph Hanlon,Roger Omond,1987 This book is about South Africa's apartheid policy that led to worldwide demands for sanctions. Leaders of some countries - notably Britain, the United States and Germany - are resisting calls for strong action against the Pretoria regime. Others say that sanctions will hasten the end of apartheid. But what are the facts?

**Ogadinma** Ukamaka Olisakwe,2020-09-10 Ogadinma Or, *Everything Will be All Right* is a tale of departure, loss and adaptation; of mothers whose experience at the hands of controlling men leave them with burdens they find too much to

bear. After an unwanted pregnancy leaves her exiled from her family in Kano, thwarting her plans to go to university, seventeen-year-old Ogadinma is sent to her aunt's in Lagos. When a whirlwind romance with an older man descends into indignity, she is forced to channel her strength and resourcefulness to escape a fate that appears all but inevitable. A feminist classic in the making, Ukamaka Olisakwe's sophomore novel introduces a heroine for whom it is impossible not to root and announces the author as a gifted chronicler of the patriarchal experience. Illuminates a fascinating time in Nigeria's recent past, as the novel's heroine struggles against the shackles of a Church-dominated patriarchal society amid rising political turmoil · Written by a rising star of Nigeria's vibrant literature scene, a finalist for the 2019 Brittle Paper Award for Creative Nonfiction and established screenwriter · An exquisitely written bildungsroman that will appeal equally to readers of literary fiction and a new adult audience

Apartheid's Second Front Joseph Hanlon,1986 Om Sydafrikas politiske, økonomiske og konkrete krigsførelse med kommandooperationer fra 1982 mod dets nabolande Lesotho, Zimbabwe, Mozambique, Malawi og Angola. - Brændpunkter.

The Youth Africa Music Experience Alan Dearling,Denis Kigongo,2008 The Youth Africa Music Experience is about participation, experimentation, sharing enthusiasms, relationship-building, creative work with groups, and overcoming shyness or lack of confidence. This book and its companion CD are not just for musicians. These two tools are also for youth workers, teachers, and community workers who won't even need the ability to play any musical instruments. The Youth Africa Music Experience will show the reader how to engage with young people, to experience and share the 'buzz' of live music, encourage creative listening, support a range of imaginative activities, and open eyes and ears to the diversity of the world's music and culture. Additionally, skilled musicians will learn more about using African influences in their work. The CD includes Denis Kigongo's drum workshop and music by Duncan Senyatso. Practical activities include: active listening to African music --- exploring rhythms and music making --- workshop icebreakers and games --- making musical instruments from found materials --- DJ-ing, mixing, and recording --- using the Internet to learn more about the rich heritage of African music and musicians
