# Long Distance Real Estate Investing How To Buy Rehab And Manage Out Of State Rental Properties

## **Brandon Turner, Heather Turner**

**Long-Distance Real Estate Investing** David Greene, 2017-12-14 Live where you want, and invest anywhere it makes sense. It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide. --David Osborn, bestselling author of Wealth Can't Wait Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-ofstate properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to guickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to investand succeed--anywhere!

Out of State R.M. Andrews, 2017-02-15 Whether it's across the state or across the planet, this is the only book that will teach you to overcome the challenges of long-distance real estate investing! The stock market goes up and down, but everyone-- everyone-- needs a place to live. That's one of the many reasons that rental real estate is an excellent investment. Real Estate Investing (REI) isn't just for moguls, though. All around the country, everyday men and women with everyday jobs supplement-- and even replace-- their regular income with rental property cash flow. But what if you live abroad, in an expensive city, or in a remote location? What if you're a member of the military who may be deployed or relocated on a moment's notice? Buying, renovating, and renting out property from a distance has some unique challenges... but it's absolutely possible, and you can do it! This book will teach you to select a great rental market, find cash-flowing properties, hire a trustworthy and experienced team to work on your behalf, analyze deals, make repairs, and place quality tenants who will pay the rent on time. You'll learn how to manage every aspect of a real estate investment without ever setting foot in the house, and you'll learn to do it with confidence.Out of State will teach you about: Determining the ideal property for your risk tolerance and budget Neighborhood and property grades Picking the ideal real estate market (without ever visiting) Finding qualified real estate agents, property managers, lenders, contractors, and other team members, whether you're a hundred or a thousand miles away Detailed interview questions for every member of your team How to prevail in purchase negotiations Financing properties and navigating the lending process Using your team's expertise to avoid making a bad investment Getting your repairs done professionally, on time, and on-budget Placing, managing, and (when necessary) removing tenants Other books teach you the why of real estate, but precious few teach you the how. Out of State forgoes anecdotes and teaches you the rules, the best practices, and yes, the math needed to succeed when you're purchasing real estate from afar.

**RENTAL PROPERTY INVESTING** Mathew Li Zahng, 2023-02-15 Let's get straight to the point: If you are busy growing your rental property business and are now running your other business as a landlord, you will want to read all about how to further your goals in this book, Rental Property Investing - The Essentials for Experienced Investors - How to Build Smart and Unshakeable Wealth. You've been expanding your real estate investment business and creating rentals in local areas and are ready to expand to areas further away and possibly, out of state. Simultaneously, you have another title - that of a landlord and you're learning how to manage and maintain your rentals, interacting with your tenants and facing challenges that are specific to the real estate rental business. This book is full of valuable information about managing your rental properties, interacting with your tenants, continuing to grow your real estate business, and using today's technology to keep you informed about the investment end of your business and the legal end of your rental landlord business. You want to succeed and there is no better way to review what you already know and pick up some pointers on how to navigate your business to even smoother waters. Do you know if you have to pay for your tenant's hotel stay if you have a possible problem that makes the rental inhabitable for a brief period? What should you do if a catastrophic event affects your property and your tenants? How can you predict a potential investment property will garner the kind of profits you'll be happy with? There are answers to questions that now come with being a landlord. How do you handle a late-paying tenant? What are your legal responsibilities to the neighbors of your rental property? How beneficial is it to invest in an out of state property? Can you gauge what all the costs will be versus its profitability? Will it be worth it? This book answers many of these questions and helps you to increase your real estate knowledge as well. Some of the highlights are: What pre-rental steps you should take

each time you rent one of your properties? Why you should keep a record of every communication you have with your tenant and how to set communication limits that will work for you What are the pros and cons of investing out of state properties? What scams should you be aware of? What areas may prohibit rental properties? Why you should become an expert in real estate market property analysis and how you can achieve this Why you should be prepared in the event of a catastrophic event at your rental property in case your worst fear becomes a reality And more!
