*The Accidental Public Servant* Nasir Ahmed El-Rufai,2013-05-19 This is a story of Nigeria, told from the inside. After a successful career in the private sector, Nasir El-Rufai rose to the top ranks of Nigeria's political hierarchy, serving first as the privatization czar at the Bureau for Public Enterprises and then as Minister of the Federal Capital Territory of Abuja under former President Olesegun Obasanjo. In this tell-all memoir, El-Rufai reflects on a life in public service to Nigeria, the enormous challenges faced by the country, and what can be done while calling on a new generation of leaders to take the country back from the brink of destruction. The shocking revelations disclosed by El-Rufai about the formation of the current leadership and the actions of prominent statesmen make this memoir required reading for anyone seeking to understand the dynamics of power politics in Africa's most populous nation.

**The Story of the Scottish Covenants in Outline** David Hay Fleming,2022-06-02 This incredible history presents a precise overview of the events of 17th-Century Scotland. The author, David Hay Fleming, delivered an accurate report on The National Covenant (1638) and the Solemn League and Covenant (1643), the defining agreements of two different phases of the mid-17th-century Covenanting Revolution. The National Covenant was signed by the people of Scotland in 1638, resisting

the suggested reforms of the Church of Scotland by King Charles I. On the other hand the Solemn League and Covenant was an agreement between the Scottish Covenanters and the heads of the English Parliamentarians in 1643 during the First English Civil War. Fleming included the names of the famous personalities linked with the events and the several places and dates of their occurrence. In addition, he wrote several unknown facts about the subject that keep the readers curious throughout. It's a perfect read for history beginners and enthusiasts.
