**You Are the Message** Roger Ailes,2012-02-22 Learn the secrets of communication that win elections, promotions, and customers, from Roger Ailes, media consultant to Presidents Ronald Reagan and George H.W. Bush, and the founder of Fox News. When you communicate with others, everything that makes you unique comes into play. From your appearance to your voice, from your beliefs to your life experience, you're constantly sending signals about the kind of person you are. All of these signals, such as your facial expressions, your body movements, your vocal pitch, and more, are powerful and important in convincing others of your message. In *You Are the Message*, Roger Ailes argues that each and every one of us has the tools within us to persuade and influence others.
