My Omaha Obsession Miss Cassette, 2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha.

Oileain David Walsh, 2004 A wealth of information on the wildlife, stories and history of the islands. For those wishing to visit in small boats or kayaks there are details of: Landings? Camping? Drinking water? Tidal information Oileain is a detailed guide to almost every Irish offshore island. The guide is comprehensive, describing over 300 islands, big and small, far out to sea and close in by the shore, inhabited and uninhabited. Oileain tells it as it is, rock by rock, good and bad, pleasant and otherwise. It concentrates on landings and access generally, then adds information on camping, drinking water, tides, history, climbing, birds, whales, dolphins, legends or anything else of interest. Oileain will, I hope, appeal to all who go to sea in small boats, divers and yachtsmen as well as kayakers. The sheer level of detail contained in Oileain must surely throw new light on places they thought they knew well. It is not a book about kayaking. It so happens that a practical way of getting to islands is by kayak, and that is how the author gets about. Scuba divers and RIBs get in close too. Yachtsmen get about better than most, and they too enjoy exploring intensively from a dinghy. With the increasing availability of ferries, boatless people will also enjoy Oileain. Offshore islands are the last wilderness in Ireland. Hillwaking is now so popular that

there are few untrampled mainland hills. Ninety per cent of offshore islands are uninhabited outside of the first fortnight in August, and eighty per cent even then. You won't meet many other people, if any at all, out beyond an Irish surf line. It is a time of change though, and holiday homes are very much the coming thing in some offshore areas. Sea going will never stop being a great adventure. Therefore, offshore islands are still the preserve of the very few. Now is a golden era for exploration.

The Barbarian's Beverage Max Nelson,2005-02-25 Comprehensive and detailed, this is the first ever study of ancient beer and its distilling, consumption and characteristics. Examining evidence from Greek and Latin authors, the book demonstrates the contributions the Europeans made to beer throughout the ages.

Directory of Publishing 2007 ,2006-11-15 Now in its 32nd edition, and compiled in association with the Publishers Association, this is the most authoritative, detailed trade directory available for the United Kingdom and the Republic of Ireland, listing some 950 book publishers. Comprehensive entries include, where available: - full contact details including addresses and websites - details of distribution and sales and marketing agents - key personnel - listing of main fields of activity - information on annual turnover, numbers of new titles and numbers of employees - ISBN prefixes including those for imprints and series - details of trade association membership - information on overseas representation - details of associated and parent companies. In addition to the detailed entries on publishers, the Directory offers in-depth coverage of the wider UK book trade and lists 550 organizations associated with the book trade: packagers, authors' agents, trade and allied associations and services. Detailed Appendices and Indexes include publishers classified by field of speciality; ISBN prefix numbers; names of key personnel; publishers' imprints; agents and associations; publishers by postcode.

A History of Beer and Brewing Ian S Hornsey,2007-10-31 A History of Beer and Brewing provides a comprehensive account of the history of beer. Research carried out during the last quarter of the 20th century has permitted us to re-think the way in which some ancient civilizations went about their beer production. There have also been some highly innovative technical developments, many of which have led to the sophistication and efficiency of 21st century brewing methodology. A History of Beer and Brewing covers a time-span of around eight thousand years and in doing so: * Stimulates the reader to consider how, and why, the first fermented beverages might have originated * Establishes some of the parameters that encompass the diverse range of alcoholic beverages assigned the generic name 'beer' * Considers the possible means of dissemination of early brewing technologies from their Near Eastern origins The book is aimed at a wide readership particularly beer enthusiasts. However the use of original quotations and references associated with them should enable the serious scholar to delve into this subject in even greater depth.

Who's Who in Plastics Polymers, First Edition James P. Harrington,2000-05-09 This is the first edition of a unique

new plastics industry resource: Who's Who in Plastics & Polymers. It is the only biographical directory of its kind and includes contact, affiliation and background information on more than 3300 individuals who are active leaders in this industry and related organizations. The biographical directory is in alphabetical order by individual name. After each individual name, current affiliation and contact information is provided. This includes job title, full name of affiliation (e.g., business, university, association, research institute), business address, and electronic contacts-telephone, fax, e-mail and Web site. Home addresses and contacts are also provided for most of the entries. In the biographical summary section for each individual, the following information is provided: date and place of birth, education and educational achievements, work experience including company or other organization names, positions held and time periods. Also included in this section are the number of patents awarded, articles, and book chapters authored, and conference sessions chaired. Other information includes titles of books edited or written by the individual, listing of conferences where the person had a leadership position, and listing of memberships and positions held in professional organizations. Finally, professional and civic awards are listed. Indexes provide listings of individuals by company or other organization name, and also by geographical location. Who's Who in Plastics & Polymers is now published in a limited edition of 1,000 copies. This edition will not be reprinted. To be sure of receiving your copy, please act now. Information on ordering follows sample pages on the reverse.

Cheech Is Not My Real Name Cheech Marin,2017-03-14 The long-awaited memoir from a counterculture legend. Cheech Marin came of age at an interesting time in America and became a self-made counterculture legend with his other half,

Tommy Chong. This insightful memoir delves into how Cheech dodged the draft, formed one of the most successful comedy duos of all time, became the face of the recreational drug movement with the film *Up in Smoke*, forged a successful solo career with roles in *The Lion King* and, more recently, *Jane the Virgin*, and became the owner of the most renowned collection of Chicano art in the world. Written in Cheech's uniquely hilarious voice, this memoir will take you to new highs.

Wilcoxson and Allied Families Dorothy Ford Wulfeck, 1958 Elizabeth Willcockson was granted administration of the estate of George Willcockson, 25 Oct., 1739, Chester Co., Penn[sylvania] ... there is no proof of the relationship of Elizabeth to George Willcockson although some say she was his wife, and the daughter of Roland Powell of New Jersey.

Creative Suffering and the Wounded Healer Byron J. Gaist, 2010-04 It is frequently acknowledged that, despite Jung's disclaimers concerning the mutually exclusive boundaries between empirical science and metaphysics, analytical psychology does have important theological ramifications. Christian theology has been a historical antecedent to modern psychology, and can continue to be of relevance in this field through the scholarly exploration of its anthropological teachings in a contemporary academic and pastoral context. The primary purpose of this study is to outline a metatheoretical approach to discuss the interface between analytical psychology and Christian theology. As a secondary theme, it attempts to formulate, investigate and explore a theoretical rationale for adopting a depth-psychological approach to working with countertransference dynamics in both psychotherapy and spiritual direction, by including and valuing the spiritual dimension of experience. The concept of 'creative suffering' is utilized as a way of describing the process through which personal suffering, when experienced creatively, becomes more than the isolated pathological source of the therapist's private emotional wounds, being transformed to provide the main psychological background through which deep healing of the client's own trauma may occur on a personal and transpersonal level. It is, therefore, argued that creative use of the countertransference implies ongoing, active reflection by the therapist on the meaning and purpose of personal suffering, as occurs in some spiritual disciplines. This practice is adumbrated through a framework of conceptualisation derived from Orthodox Christian spirituality, employing the Jungian archetype of the 'Wounded Healer' in parallel to theological claims concerning the suffering of Jesus Christ, and the broader significance of suffering and evil in Christian theology. Parallels, similarities and differences between religious and psychological imagery and concepts are suggested throughout, which may prompt further exploration of areas of convergence and divergence between analytical psychology and Christian theology in particular, and between psychology and religion in general.
