National Education Policy (NEP 2020) Vaibhav Edke, 2022-01-24 This book deals primarily with the National Education Policy 2020 of India. In the book, an attempt has been made to highlight the provisions of the latest National Education Policy in comparison with some best education systems in the world such as the USA, the UK, and Finland. The comparative analysis with these countries has made this book unique and interesting to read. The examination of elementary as well as secondary education of Japan, and the best practices of Finnish schools and government have opened up a new door of knowledge to the readers. This book has been written mainly for students, teachers, guardians, and other stakeholders, who are actually going to benefit from the National Education Policy 2020. India's future growth and genuine sustainable development can only be achieved through the proper implementation of the NEP-2020.
