**Jett** Debra Kayn,2018-04-30 Conned. Betrayed. Damaged. Jett's plan to clear his head with a midnight ride turns into a mission to chase a female con artist away from the Brikken Motorcycle Club and ends with murder. To protect his freedom, Jett's only option is to bring Sydney back to the clubhouse and make sure she doesn't squeal. It isn't until Jett orders Sydney to wipe the make-up off her face and stop the act that he learns he put an innocent sixteen-year-old in his bed. Loyalty within the club is necessary for Brikken's survival. Any woman in Jett's life will need to be untouched by betrayal and open to trusting him. He glimpses that faithfulness in Sydney when she reaches her breaking point and despite all the danger and her age, leans toward him. Raised with Rollo's values, Chief's examples, and surrounded by the club, Jett's life-long commitment to someday step into his father's position within Brikken is put in jeopardy as he hits rock bottom while sitting in prison for the second time in his life. His path of punishment hardens his heart. But, it's his weakness for Sydney that he wears like a patch on his vest that could destroy his future. Sydney Hawkins never depends on anyone. Her mom, her dad, her grandma were only temporary caregivers in her young life. Shuttled from one foster family to another taught Sydney every personality, every con, every manipulation, she uses to survive. And, she uses each skill to hide her secret. Until she meets Jett. He's the only man who has stepped into the role of taking care of her-not as a social worker, not as a guardian, and definitely not as a foster father. He's also the one person she can't manipulate. Jett's dominating personality makes it hard to keep the secret in her life hidden. And, as the pieces she desperately clings to start to fall, she finds herself at a dead end, locked up, where the only thing she can rely on is her heart. Through the hardships of her childhood to paying the price for her choices, she stumbles into adulthood depending on the most unlikely man who'll change the course of her life.

*Jett* Makenna Jameison,2022-10-25 The rugged, commanding operative never needed a woman...until he met her. Shadow Ops Team leader Jett Hutchinson has everything he wants in life. Leaving the military's strict rules and regulations behind has given him the freedom to run missions his way—and lead his successful black ops team. He's not the type of man to be tied down, but the sassy blonde with curves that won't quit teases and challenges him in ways he never expected.

Executive assistant Anna Dubois is ready for a change. A career in Manhattan with twelve-hour days is no match for her free-spirited ways. One weekend with a dangerously handsome man changes everything. She knows he owns a successful security company but has no clue about the off-the-books missions he runs or potential danger at her doorstep. When a quick trip mixes work and pleasure, Anna's life is suddenly in grave danger. Jett will hunt down the man who took her and serve him up to government officials without regret, but can he convince Anna of their future together and that he'll protect both her body and heart? Jett, a standalone novel, is book one in the Shadow Ops Team series.

Jett Trails West Lois M. Jett,Ernest C. Jett,1996

Bad Reputation Dave Thompson,2011-08-01 (Book). Bad Reputation is the unexpurgated story of Joan Jett, the single most exciting rocker of the American 1980s, one of the biggest-selling acts of the age, and one of punk rock's most valued elder statespeeps. Through its pages, a welter of exclusive interviews and observations paint what might well be the last great tale of rock hedonism, but one that comes with a twist in its tail. The rockers are women, the groupies are guys. It could have been the plot line for a movie or even a sitcom, but the Runaways, Jett's first band, made it happen, and Jett made it last. The first serious female rocker of the 1980s, Jett became the template for everyone that followed. But unlike so many of her peers and counterparts, she never lost her credibility, never sold out, and never gave up. And she has backed her reputation up with genuine star power, following the chart-topping I Love Rock 'n' Roll one of the most played '80s anthems of all time with Crimson and Clover, Do You Wanna Touch Me, and I Hate Myself for Loving You before the decade ended. And, while the 1990s saw Jett purposefully step away from the spotlight, she remained, and remains, America's number one Queen of Noise.

**Jett** Sawyer Bennett,2021-07-20 Jett Olsson isn't looking for anything serious and she's not looking for anything at all, so why does it seem so hard to keep it professional? I love my life—the thrill of being on the ice as part of the Arizona Vengeance, the rush of winning, the adoration of the fans. And if that adoration means I don't have to spend the night alone, well even better. I'm content being single and always ready to mingle. But the day Emory Holland walks into a Vengeance team meeting my attention is caught like never before. I can tell right away she's full of smarts and sass, and the fact that she's hot as hell sure doesn't hurt either. She immediately shuts down my advances, so I opt for the road less traveled—straight to the friend zone. My approach works like a charm, and when she invites me into her bed for a no-strings, friends-with-benefits arrangement, I vow to give her everything I have. She's been hurt before, and if I'm able to help her heal while giving her a spectacularly satisfying time \*pats self on back\*, then I'll be happy. Or at least that's the lie I keep telling myself as the time ticks down on the final buzzer of our "relationship". Now the real question is, can I score the winning goal in a game neither of us realized we were playing?

Hi, My Name Is Jett Michelle Jennings,2012 AUTISM IN SCHOOL was inspired by the first time the school counselor had to try to explain Jett and Autism to his Kindergarten class. Children are very visual learners, so I wanted to create a children's book about what an autistic child is like in order to help explain to young classmates what they can expect and how they can help. Knowledge is power, and we're never too young or too old to learn about the changing world around us.

But before tackling her amnesia, she must survive an extremely difficult back surgery stemming from injuries she received during the explosion at Jettlio. There's not even a little glimmer of hope in Jett realizing their existence! Dru has Michael's guarantee that Vincenzo Ballicari, who was responsible for the Jettlio explosion as well as Jett and Michael's injuries, will pay dearly.
