Valedictory Richard Stein,2016-03-24 When Jonah Aaron graduated from Nashvilles Academic Magnet High School, he was voted the most interesting member of the class of 1997. His classmates predicted that he would become a CIA operative and that he would be bringing the best-looking woman in the room to the tenth-year reunion. Twelve years later, Jonah is married to screenwriter Elana Grey, once known as the hottest young redhead in country music. But instead of the CIA,

Jonah has become a partner in Brandenburg and Aaron Entertainment and a producer of television shows and independent films. Jonah skipped the tenth-year reunion and never even bothered to investigate when the valedictorian of his senior class was murdered shortly after graduation. But now, Jonah has two reasons to investigate the crime: he feels sorry for the victims brother and he thinks that the investigation may lead to a script for the highly rated comedic-drama police procedural, which is a cornerstone of his production company.
