Play Framework Cookbook Alexander Reelsen,2011 This book is in Packt's Cookbook series. A Packt Cookbook contains recipes for solutions to the most important problems you face when working with a topic. Inside the Cookbook you will find: A straightforward and easy to follow format, A selection of the most important tasks and problems, Carefully organized instructions for solving the problem efficiently, Clear explanations of what you did, Details for applying the solution to other situations. This is the ideal book for people who have already written a first application with the Play Framework or have just finished reading through the documentation. In other words - anyone who is ready to get to grips with Play! Having a basic knowledge of Java is good, as well as some web developer skills - HTML and JavaScript

Epidemics and International Law Shinya Murase,Suzanne Zhou,2021-11 This volume provides a comprehensive examination of epidemics and international law from the perspective of general international law. Featuring thirty-one essays by researchers from around the world and from various areas of expertise, it demonstrates how epidemics shape - and are shaped by - international legal norms across varying domains of international law. This volume is the product of collaborative work conducted between August 2020 and April 2021 as part of the Centre for Studies and Research on Epidemics and International Law.

Impacts of the Knowledge Society on Economic and Social Growth in Africa Amoah, Lloyd G. Adu,2014-03-31 In a world that is essentially digitizing, some have argued that the idea of the knowledge society holds the greatest promise for Africa's rapid socio-economic transformation. *Impacts of the Knowledge Society on Economic and Social Growth in Africa* aims to catalyze thinking and provide relevant information on the complex ways in which the information age is shaping Africa and the implications that this will have for the continent and the world. This premier reference volume will provide policy analysts, policymakers, academics, and researchers with fresh insights into the key empirical and theoretical matters framing Africa's ongoing digitization.

Siddha Meditation Swami Muktananda,1975

Policy and Politics in Nursing and Healthcare - Revised Reprint Diana J. Mason,Judith K. Leavitt,Mary W. Chaffee,2013-09-23 Featuring analysis of healthcare issues and first-person stories, *Policy & Politics in Nursing and Health Care* helps you develop skills in influencing policy in today's changing health care environment. 145 expert contributors

present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. The revised reprint includes a new appendix with coverage of the new Affordable Care Act. With these insights and strategies, you'll be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Up-to-date coverage on the Affordable Care Act in an Appendix new to the revised reprint. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Winner of several American Journal of Nursing Book of the Year awards! A new Appendix on the Affordable Care Act, its implementation as of mid-2013, and the implications for nursing, is included in the revised reprint. 18 new chapters ensure that you have the most up-to-date information on policy and politics. The latest information and perspectives are provided by nursing leaders who influenced health care reform with the Patient Protection and Affordable Care Act of 2010.

We, the Anarchists! Stuart Christie, 2000 At last. A serious examination of the legendary FAI. And hence, by necessity, a history and analysis of the organised anarchist movement in Spain, and its relationship with the wider labor movement. By far the best book on the subject, Christie is ruthless in his examination - from an anarchist perspective - of the theory, and practice of this loose-knit group of anarchist militants. Required reading for everyone who not only wants to understand the history of Spanish anarchism, but for those that might want to see some viable form of anarchist organisation in the 21st century.

Ecocinema Theory and Practice Stephen Rust, Salma Monani, Sean Cubitt, 2013 This is an anthology that offers a comprehensive introduction to the rapidly growing field of eco-film criticism, a branch of critical scholarship that investigates cinema's intersections with environmental understandings.

WordPress For Dummies Lisa Sabin-Wilson, 2015-08-03 WordPress was born for blogging, but today it also powers one of every five websites. Harness the power of this versatile beast with help from this book! From the basics of installing and setting up WordPress software to adding media files, activating plugins, hosting a network of websites on your domain, and sidestepping pitfalls, it's all here.--Page 4 of cover.

Teach Like a Champion 2.0 Doug Lemov, 2015-01-12 One of the most influential teaching guides ever—updated! Teach Like a Champion 2.0 is a complete update to the international bestseller. This teaching guide is a must-have for new and experienced teachers alike. Over 1.3 million teachers around the world already know how the techniques in this book turn

educators into classroom champions. With ideas for everything from boosting academic rigor, to improving classroom management, and inspiring student engagement, you will be able to strengthen your teaching practice right away. The first edition of Teach Like a Champion influenced thousands of educators because author Doug Lemov's teaching strategies are simple and powerful. Now, updated techniques and tools make it even easier to put students on the path to college readiness. Here are just a few of the brand new resources available in the 2.0 edition: Over 70 new video clips of real teachers modeling the techniques in the classroom (note: for online access of this content, please visit my.teachlikeachampion.com) A selection of never before seen techniques inspired by top teachers around the world Brand new structure emphasizing the most important techniques and step by step teaching guidelines Updated content reflecting the latest best practices from outstanding educators Organized by category and technique, the book's structure enables you to read start to finish, or dip in anywhere for the specific challenge you're seeking to address. With examples from outstanding teachers, videos, and additional, continuously updated resources at teachlikeachampion.com, you will soon be teaching like a champion. The classroom techniques you'll learn in this book can be adapted to suit any context. Find out why Teach Like a Champion is a teaching Bible for so many educators worldwide.

Cyberdeterrence and Cyberwar Martin C. Libicki, 2009-09-22 Cyberspace, where information--and hence serious value--is stored and manipulated, is a tempting target. An attacker could be a person, group, or state and may disrupt or corrupt the systems from which cyberspace is built. When states are involved, it is tempting to compare fights to warfare, but there are important differences. The author addresses these differences and ways the United States protect itself in the face of attack.

Quest for a New Death Mohammad Samir Hossain Ph. D., Mohammad Samir Hossain, Ph.d., 2007-11-27 The perception of the permanent cessation of existence with death has no scientific basis. Epistemologically, it is wrong. The perception denoting existence after death is scientifically unapproachable, but epistemologically acceptable. The perception of ceasing to exist is also unhealthy and causing continuous harmful changes at personal and social levels. Thus healthy accommodation of the phenomenon of death is practically absent. So death should be regarded as something very significant that does not bring absolute end to one's existence. View towards moral attitude is strongly connected to this concept. Adoption of stronger morality by restraining the desire for materialistic life can lead to a satisfactory accommodation of this concept. Evidences from history also support it. Addition of this methodologically redefined concept of death in our life should lead us to a better and healthier attitude with a healthy accommodation of the phenomenon of death in persons and thus society.

History of the Byzantine Empire Charles H. Diehl, 1945

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller

encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

The Bread of Time Philip Levine, 2001 An extraordinary memoir from one of our most celebrated poets

No-excuses Management T. J. Rodgers, William Taylor, Rick Foreman, 1993 Commonsense basics to management covering hiring, rewarding and evaluating people, setting goals and managing budgets. Offers 7 principles of management.

Marketing Roger A. Kerin, Steven William Hartley, William Rudelius, 2007

Children's Rights in Ghana Robert Kwame Ame, DeBrenna LaFa Agbényiga, Nana Araba Apt, 2011-02-22 This is the first book that examines Ghana's compliance with the United Nations Convention on the Rights of the Child (CRC). Ghana being the first country to ratify the Convention, it thus fills an important gap in the literature on Ghana. The book throws a searchlight on a wide range of rights issues including children's identity, violence against children and women, child exploitation and children in conflict with the law plus a host of other CRC related issues and further identifies and explains the main obstacles in the way of realizing children's rights in Ghana. A major strength of this book is that the contributors, Ghanaians and non-Ghanaians alike have vast experience in empirical research in Ghana and most importantly, come from diverse academic disciplines. Researchers, instructors, and students of Social Work, Sociology, Criminology Human Rights, Education and Law, are examples of a few academic disciplines that would find this book a welcome relief in their search for relevant and current data on children's issues in Ghana. It should also be of great interest to policy makers, human rights activists, Children's NGOs and international development partners interested in children's issues.

The Smart Classroom Management Way Michael Linsin, 2019-05-03 The Smart Classroom Management Way is a collection of the very best writing from ten years of Smart Classroom Management (SCM). It isn't, however, simply a random mix of popular articles. It's a comprehensive work that encompasses every principle, theme, and methodology of the SCM approach. The book is laid out across six major areas of classroom management and includes the most pressing issues, problems, and concerns shared by all teachers. The underlying SCM themes of accountability, maturity, independence, personal responsibility, and intrinsic motivation are all there and weave their way throughout the entirety of the book. Together, they form a simple, unique, and sometimes contrarian approach to classroom management that anyone can do. Whether you're an elementary, middle, or high school teacher, The Smart Classroom Management Way will give you the strategies, skills, and know-how to turn any group of students into the motivated, well-behaved class you love teaching.

The Gnostic Bible: The Pistis Sophia Unveiled Samael Aun Weor, 2011-02-24 "It came to pass, when Jesus had risen from the dead, that he passed eleven years discoursing with his disciples, and instructing them." The Apostles wrote down what Jesus taught them during those eleven years, resulting in The Pistis Sophia, the most important Gnostic scripture.

Includes an extensive commentary by Samael Aun Weor.

Shake Up Learning Kasey Bell, 2018-03-05 Is the learning in your classroom static or dynamic? Shake Up Learning guides you through the process of creating dynamic learning opportunities-from purposeful planning and maximizing technology to fearless implementation.
