The Routledge Handbook of Hospitality Management Ioannis S Pantelidis,2017-06 Hospitality is an industry characterised by its complex nature and numerous sectors including hotels, hostels, B&Bs, restaurants, pubs, nightclubs and contract catering. However, despite its segmentation, there are key issues that are pertinent to all subsectors. The Routledge Handbook of Hospitality Management adopts a strategic approach and explores and critically evaluates current debates, issues and controversies to enable the reader to learn from the industry's past mistakes as well as future opportunities. Especially relevant at a time when many sectors of the industry have to re - evaluate and reinvent themselves in response to

the economic downturn the Handbook brings together specialists from both industry and academia and from a range of geographical regions to provide state-of-the-art theoretical reflection and empirical research. Each of the five inter related sections explores and evaluates issues that are of extreme importance to hospitality organisations, many of which have not been adequately explored before: external and internal customers, debates surrounding finance, uncertainty risk and conflict, sustainability, and e-Hospitality and Technology. This book is an invaluable resource for all those with an interest in hospitality, encouraging dialogue across disciplinary boundaries and areas of study. It is essential reading for students, researchers & academics and managers of Hospitality as well as those of Tourism, Events, Marketing, and Business Management.

In Search of Hospitality Conrad Lashley,Alison Morrison,2013-10-11 'In Search of Hospitality' is a unique contribution to the study of hospitality, exploring the practice of hospitality across disciplines, and adopting an international perspective where appropriate. The Routledge Companion to International Hospitality Management Marco A. Gardini,Michael C. Ottenbacher,Markus Schuckert,2020-11-09 The hospitality sector is facing increasing competition and complexity over recent decades in its development towards a global industry. The strategic response to this is still that hospitality companies try to grow outside their traditional territories and domestic markets, while the expansion patterns and M&A activities of international hotel and restaurant chains reflect this phenomenon. Yet, interestingly, the strategies, concepts, and methods of internationalization as well as the managerial and organizational challenges and impacts of globalizing the hospitality business are under-researched in this industry. While the mainstream research on international management offers an abundance of information and knowledge on topics, players, trends, concepts, frameworks, or methodologies, its ability to produce viable insights for the hospitality industry is limited, as the mainstream research is taking place outside of the service sector. Specific research directions and related cases like the international dimensions of strategy, organization, marketing, sales, staffing, control, culture, and others to the hospitality industry are rarely identifiable so far. The core rationale of this book is therefore to present newest insights from research and industry in the field of international hospitality, drawing together recent scientific knowledge and state-of-the-art expertise to suggest directions for future work. It is designed to raise awareness on the international factors influencing the strategy and performance of hospitality organizations, while analyzing and discussing the present and future challenges for hospitality firms going or being international. This book will provide a comprehensive overview and deeper understanding of trends and issues to researchers, practitioners, and students by showing how to master current and future challenges when entering and competing in the global hospitality industry.

Theory and Practice in Hospitality and Tourism Research Salleh Mohd Radzi,Mohd Faeez Saiful Bakhtiar,Zurinawati Mohi,Mohd Salehuddin Mohd Zahari,Norzuwana Sumarjan,C.T. Chik,Faiz Izwan Anuar,2014-08-12 Theory and Practice in Hospitality and Tourism Research includes 111 contributions from the 2nd International Hospitality and Tourism Conference 2014 (Penang, Malaysia, 2-4 September 2014), and covers a comprehensive range of topics, including: - Hospitality management - Hospitality & tourism marketing - Tourism management - Technology & innovation in hospitality & tourism - Foodservice & food safety - Gastronomy The book will be of interest to postgraduate students, academics and professionals involved in the fields of hospitality and tourism.
