

Vashikaran Magick Learn The Dark Mantras Of Subjugation Mantra Magick Series 1

Bhojraj Dwivedi

Vashikaran Magick Baal Kadmon,2015-03-23 What you are about to learn right now is rather obscure. In fact, there is only one other book written on this particular topic. It's a hidden side of an otherwise popular spiritual practice. What you will learn is the Dark Mantras of Subjugation called Vashikaran. I call them dark because they are meant to subjugate or command people and events to your will. Often mantras are associated with pure and spiritual practices. We use mantras to achieve altered states of consciousness, We use them to attract divine blessings. Seldom do we hear about people using mantras to control another person or persons. That kind of thing was relegated to black magick and witchcraft here in the west. But is it truly black magic? Is there actually such a thing as white and black magick in the eastern traditions? Or perhaps we , in the west interpret these things in stark black and white terms?In this book, we will discuss the Vashikaran Mantras and their dark powers

Tap Into the Power of the Chant Baal Kadmon,2015-07-12 If you have read my other books you know that I recommend the use of mantras as a vehicle for magick. They are very powerful and often times easy to recite. In my other books that deal with mantras I provide a bonus chapter on something called Siddhi. I have been asked several times to go into greater depth about this and so I have decided to write this text. By attaining Siddhi, while using a mantra, you are literally embodying the power of that mantra. You will have the mantras power. For example, if you are looking to attract material abundance, the seed mantra for that is SHREEM. If you recite SHREEM 10,000 times, you will attain the essence of that Supernatural power. You will be able to recite SHREEM and attain your material goals easily. You will be a magnet as it were. You will attain supernatural powers. In this book, we will discuss, in greater depth, what Siddhi is. After that, I will present a few powerful mantras and provide you the exact number of recitations you will need to attain Siddhi. Not all mantras have the same recitation count. I will also provide helpful tips on how to keep track of your recitations and most importantly, we will discuss the immense responsibility given you once you achieve Siddhi. Do Not take this lightly, once you achieve Siddhi for any given mantra, you will possess that power. USE IT WISELY.

Black Magic & Witchcraft Lord Shiva,Rishi Maharishi,Mohan Kumar,2020-04-02 I am very happy to know that you guys

liked my mantra books translated into English and in other languages, which I received from my mentor or Guru. I hope that this book will prove very useful not only for the Hindus but for all the people of the world who believe in Sanatana Dharma and follow it. If you are one of them who closely know the Sanatana Dharma, then you must also know that it is a Science, not a superstition. All books of the Sanatana Dharma or the Hindu Dharma are based on Esoteric Science, which common man can't understand easily. You have to follow the instructions of your mentors or Gurus from whom you are getting Initiation or Diksha. In this book, I have included the mantras and the ancient text or conversation between Shiva and Parvati, which I received from my Mentors or Gurus. I have presented some very useful mantras for the welfare of the public and the whole world through this book. In the series The Mantras, I have presented three books earlier which is very helpful for the beginners who wish to take the first step in the world of Tantra. In those book you will learn meditation and concentration. You will also know some facts of tantra-mantra. Meditation is most important thing in the Tantra, without which you can not understand the Tantra. Meditation will open the path of the world of Tantra. Meditation is also divided in many forms and of many types. It will improve your focus and concentration which is very necessary during exercitation (Sadhana). The most recommended book for the meditation is Vigyan Bhairava Tantra. In my another book, Shiv Swarodaya - A divine Law of breathing you will learn about the Tantra-Mantra and its application. In my another book The Basic Mantras you will learn and know some mantras which will improve your knowledge and faith in the Tantra. It will also provide you supernatural powers, that will help you to get Siddhis of another mantras. It will also remove all negativity not only from your life but also from your concious and sub-concious mind. All these books will help you to learn and get Siddhis of the mantras which is discussed in this book. All the process to get Siddhis, or to prove, or to initiate the mantra's powers or energies are discussed with the mantras. In Part-1, I presented the conversation of Lord Shiva (as Lord Bhairava) and Goddess Parvati (as Goddess Bhairavi). During the conversation some mantra and secret of mantras are also revealed by the Bhairava. This is very important part of the book. You can consider this part as a Esoteric Science. In the Part-2, the process, application and mantras are discussed in detail. In this part, you will learn about the perfect time, the particular date (Tithis), the process, the auspicious or unauspicious days, etc. which are the most important part of the Tantra-Mantra to be successful. Many useful mantras are given in this books which is very useful in your daily life. The mantras of subduing or subjugation (Vashikaran), attraction or charm (Aakarshan), good luck, protection, etc. are given. I hope these mantras will help you to make your life successful and reduces your problems. These mantras will make your work easy and accurate. But never use these mantras with wrong intention, because that will harm you. You must use these mantras for the welfare of the society, so that you and the society will develop and promote humanity. Never use these mantras to make someone bad or to make someone's life worst. This act will take you in hell. So, again I request all the practitioner or the Sadhaka to use these mantras only for the betterment of the society. Never harm anyone. If you are the one who buy this book for the welfare for

the humanity and spread happiness in the world. I appreciate and love you from the core of my heart. And also I feel proud to be a medium for such a great work.

Moldavite Magick Baal Kadmon, 2015-08-17 From The Introduction: If there is one thing we all have in common is that we live on this great planet we call home. We often do not sit and reflect at the immensity of this planet. We take it for granted. Our days are so packed with activity and busy work that we forget where we come from. Very few people today can detach even for a moment to realize the miracle of existence on this great planet. According to both science and religion, life on this planet is a miracle, perhaps a fluke. No matter what you want to call it, that life exists here at all is amazing. Here we are, on a spinning rock that is hurtling through an ever expansive universe. It just boggles the mind, doesn't it? What is even more mind boggling is that everything is teeming with life. Even inanimate objects aren't dead; their atomic structure is alive with energy. An energy we can use for magickal purposes. This energy is vibrating on certain frequencies, just like our own selves. These frequencies allow us to interact with everything that is around us. One of the best conduits of this earthly energy are crystals. In this book we will discuss how to use crystals in magick, but not only that, we will use Mantras as well to add extra energy to the crystals. I will explain why the two together are so effective. In this volume we will discuss a certain specific crystal, and the crystals is called Moldavite. It's by far the most powerful crystal you can buy. We will go through several rituals involving Moldavites and mantras. But first, let us discuss Crystals, mantras and moldavites in general. After that, we will put it all together. We will use Moldavite and Mantra Magick for the following: magickal purposes: To attract Money To Compel someone to be attracted to you (be careful with this one) To promote physical healing To enhance your psychic powers and hidden knowledge To Control spiritual entities But be forewarned, Moldavite is a very powerful crystal. Use with Caution

Lakshmi Mantra Magick Baal Kadmon, 2015-10-17 The great Lakshmi, the goddess of wealth and fortune. She is renowned across all of India as the most beneficent goddess of the Hindu Pantheon. She not only bestows wealth and fortune in the material world, but also the spiritual. That is the beauty of Lakshmi. When you call upon her, she prepares you for wealth and fortune from the inside out. Often it happens very quickly and in some cases, it can take some time. In either case, she is very responsive. In this book, we will tap into the 8 manifestations of this great Goddess. These 8 emanations will help you achieve wealth and prosperity in more than one area of life. Unlike her some of her fellow goddesses, she is gentle. She is not a Kali or a Druga, she will approach you gently. We will discuss the idea of the divine feminine and then we will discuss Lakshmi in a bit more detail and then get right to business. Let us begin.

Shiva Mantra Magick Baal Kadmon, 2016-11-17 Shiva, is one of the most mysterious Gods of the Hindu pantheon. His energy can be found in all things, yet his tranquil, yet fierce energy can seem out of reach for some. His images often depict him in a meditative state or in his most common form, the Nataraja or the one who dances within the circular fires that

represent creation and dissolution. He is by far one of the most ancient of the Hindu Gods, there are hints of him in the Vedas, and this form is often called proto-Shiva. In his current incarnation he is part of the Hindu Trinity that is comprised of the Gods Brahma and Vishnu. Shiva's name means the auspicious one. Shiva is the God of creation, destruction and regeneration. It is for this reason his mantras are so powerful, they are multipurpose and can serve the magician in any way he or she sees fit. Although most deities that I work with are female, Shiva is the only exception. He has been my patron for decades, I even have a tattoo of his image on my back. He is very close to me. Often Shiva is associated with unbridled sexuality, eccentricity and nirvanic states. He has all these within himself. He is no doubt a figure that would be interpreted in the west as the embodiment of all that is evil, sinful and dark. This reputation is not helped by the fact many of his followers are known to perform actions that are often shocking and even downright lewd. They do this not because they are degenerates, but because they are trying to prove a point. In many ways, Shiva is the God of the outcasts. Shiva will challenge you in ways other Gods will not. He will force you to go deep into your nature. If you are not introspective, Shiva will and can be a nightmare for you. He will force you to break open. His mantras are often recited when people need help. All problems you may have, be they physical, mental or spiritual he can help you.

Chod Practice Demystified Baal Kadmon, 2017-11-12 Chod means to Sever. It is a method of cutting through the ego so to speak. In the simplest of terms, it is a practice that allows you to release yourself from the negative effect of ego. When I say negative effects, I mean pretty much anything you may have an attachment to that is causing you pain in your life OR perhaps you are avoiding. Often we are the source of our own pain due to unhealthy or repetitive thoughts that are driving us to lead lives mired in pain. This can display itself as an addiction, a phobia or any other kind of impulsive behavior or thought that is literally driving you crazy. Often these psychological patterns can stem from childhood traumas or more likely the suppression and repression of the shadow side of the self. That part of ourselves that our hidden desires and repressed feelings reside. We often suppress these thoughts because they are either unacceptable or we simply want to deny that they are even there. Often, when suppressed, they cause us to lash out in a variety of ways that destroy our relationships and even ourselves. This, in time, becomes an attachment and we start to define ourselves by these very behaviors. An addict will identify themselves as addict before anything else, a person with certain dysfunctions may completely identify with it to the point that they do not realize that they have become obsessed with it. People use their dysfunction as badges and will base their entire self on these dysfunctions. In this book, we will not only discuss the History of Chod and what it is. We will delve deeper into what the Shadow is and how it can drive our desires and our negative patterns in our lives. We will also discuss how we can identify residual unresolved shadow effects after a Chod practice. I like to call those hidden machinations the hungry ghosts of the mind. And, of course, we will learn how to use Chod in a way that will make it accessible to all.

Ganesha Mantra Magick Baal Kadmon, 2016-12-17 Ganesha also known more commonly in the west as Ganesh, is one

of the most beloved, if not the most beloved deities in Hinduism. He is best known for his ability to help people remove obstacles in their lives. Although this is my first book on Ganesh, I have taught people the Ganesh mantras and they have used it with great success. I have received several emails stating that the Ganesh mantra added that extra spark they needed in their lives. Not only did it take their mantra work to a new level, some also used it in conjunction with western magick and he came through for them. Ganesh has an elephant head and this fact makes him very easy to recognize. However, what he is most known for is his willingness and ability to help people remove obstacles in their lives. In addition to that, he is also a patron of the arts and sciences and has been known to help people with these fields as well. He is so effective that his worship can be found outside of Hinduism as well. Jains and Buddhists are also known to have devotion towards him. Although I do not have a main practice to Ganesh, I have used his power several times and can attest to his efficacy as can so many people not only in my sphere but the millions around the world. In this book, we will be tapping into his power for the following purposes: To Remove Obstacles (general). To Gain Financial Prosperity. Can Be used For Good Health As well. To Gain Extreme Good Luck In All Endeavors To Help You in All Your Relationships, Including Romantic ones. To Help You Remove Stress in Your Life. To Gain Leadership Skills To Quiet Ones Ego To Achieve Spiritual Unity with the Divine

Jinn Magick Baal Kadmon, 2015-11-03 For most of us, we tend to hyper focus on beings such as Angels, demons and spirits of the dead etc. But, as you know, there is more out there than that. There is a class of being that is neither angel nor spirit of the dead. They are a parallel entity to humans. The Islamic Satan is one of these beings; which is a departure from the west where the devil is an angel gone rouge. These entities are so intertwined with us that it is impossible to go about our days without having some interaction with them. When things go bump in the night we assume it is one of the 3 classes of spiritual entities we are most familiar with, demons, angels and spirits of the dead etc. However, more often than not, they are neither of these 3. They are unto a class of their own. In folklore they are known as Jinn also known as Djinn. Jinn were brought to light via the religion of Islam, although texts do mention them before Islam. It is from Islamic stories however where we get a clearer picture of what the Jinn are. In fact, modern ideas of the Genie in the bottle is directly from stories about the Jinn. The word genie is derived from the word Jinn. Aladdin when he rubbed his lamp was speaking to a Jinn. In the west, Jinn are very much misunderstood. Often we associate them with demons or devils. Yes, some do have malevolent intent, and as I mentioned the devil in Islam is a Jinn, but there are many Jinn who are good. They are more like humans than you can imagine, yet they have abilities we do not have, but can harness. In this book, we will discuss not only the nature of and type of Jinn, but also how to bind them to work for you. Before I continue however I'd like to give a warning. Jinn, like other spiritual entities need to be communicated with care. They can grant you what you want, but be careful what you ask for. Jinn are notorious pranksters, you might get what you want, but in a way you really would rather not have it...You have been warned. With that said, let us go deeper into the world of the Jinn.

The Magick of Lilith Baal Kadmon, 2016-03-21 There has never been a Goddess in all the western traditions as maligned as the Goddess Lilith. She has been called the epitome of all that is evil in the world. She was considered wild, uninhibited, argumentative and sexually deviant. She has been called the temptress, the prostitute from hell and most popularly as the succubus that comes and not only steals the semen of men as they sleep but also killing them in the process. Some of these qualities might very well be true and some not so much. One thing we know for sure is that she is a very powerful and ancient goddess. In this book, we will discuss what we know of her from the Western traditions. I will present the information chronologically; I will start with the earliest known accounts of Lilith to the most recent. I must warn you however, much of the evidence we have about Lilith is very biased but despite this, I think we can learn much about her and put her reputation into the proper perspective. Although some may consider her evil, I consider her the quintessential goddess of the left-hand path. In this book, we will discuss the story of Lilith and more importantly; we will learn how to tap into her fierce energy so we too can walk the left hand path with her. She is not for the faint of heart...You have been warned. In this book we will preform 7 rituals: 1.To Place a curse on your enemy. 2.Bind someone to do your will. (It could be for any purpose) 3.To gain Seductive powers 4.To Gain Protection from Lilith (Read carefully) 5.To gain courage and Inner Strength 6. To Gain Occult Power and Wisdom. 7.Sexually Dedicate yourself to Lilith

Yantra Mantra Tantra and Occult Sciences Bhojraj Dwivedi, 2016-12-20 There is hardly any person who is either not conversant with or not heard about occult sciences of which Yantra, Mantra, Tantra and not heard about occult sciences of which Yantra, Mantra, Tantra and forces are simply tributaries. Hindus, Jains, Muslims, ascetics, peers have written a lot about such sciences but only a selected few know how to use such devices ably and safely. The learned author has given detailed account on use, caution, warnings and methods for using such devices which are meant for relieving or causing agony/harm to a targeted person. The author has furnished relevant details about Yantra, Mantra and Tantra, black magic, sorcery etc. Hopefully, the right information will satiate urge of inquisitive readers, for some of whom it may be a new subject.

Jesus Magick Baal Kadmon, 2016-10-03 When one looks back in ancient history, there are a few great magicians that stand out. Magicians that shook the world so intensely that their influence continues to inform not only the occult, but history in general. We have Apollonius of Tyana, the great wizard and Neopythagorean philosopher, the famed Hermes Trismegistus who has influenced occultism far and wide. From the Old Testament we have the witch of Endor, Balaam and King Solomon to name a few. From the New Testament we have Simon Magus, Paul and so on and so forth. We can be here for days naming each and every magician and occultist who has influenced all of us, whether we know they have or not. One magician, however, stands out. To most he is not considered a magician at all but a prophet of God, the messiah himself..Jesus. No matter how one views Jesus, there is no doubt it that his miracles as people like to call them, were in fact, acts of magick. In

this book we will be discussing Jesus magick and how we can tap into his power. Whether you believe Jesus truly existed as a flesh and blood human being or as simply an archetype representing an idea, there is no doubt that Jesus changed the world with his teachings or the teachings ascribed to him. In saying that, I would like to point out that this book will not argue for or against the historicity of Jesus; that is for you, the reader to decide. My goal here is to provide a way to use some of the symbology of Jesus to perform magick. It may not be the same exact magick he himself performed. As you may know from my other books, I like to give some background before I go into the rituals themselves. This book will follow the same pattern. In fact, this book will be quite heavy on history so if you want to skip right to the rituals you may if the history is not something that interests you. I for one think every occultist and magician should also be an historian. It helps put everything in context. History of humanity is in many ways the history of magick, it is very much worth learning. With that in mind, we will be discussing Jesus and his magick in context of the New Testament, with some smattering of extra canonical gospels thrown in for good measure. Before we do that, we will discuss the time in which Jesus existed and the general ideas of magick preceding and during Jesus time. Enjoy!

The Book of Kali Seema Mohanty, Seema, 2009-07 One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images-from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali-from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion-that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources-rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films-she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

Vashikaran-How to Control Mind of Desire Person Ajit Kumar, 2019-06-18 Ancient Indian style of Controlling mind of others in Magical way and Yogic way. Yogic way is also known as Hypnotism, Mesmerism and Animal Magnetism. Every person in this world has the passion to control mind of others to fulfil desires, these desires can be materialistic or non-materialistic but man has enthusiasm on this subject. Ancient Indian Magical, Occult and Witchcraft texts named this science as Vashikaran, it is passionate magic from ancient times to now but all are not getting success in this branch is due to lack confidence and lack knowledge on subject. Self-confidence and faith are two major qualifications to achieve mastery in this subject. Ancient Hindu magical branch of Vashikaran is of two types. 1) Magical: In this way, practitioner get his desire by using Mantra/spells and Yantra 2) Yogic: In this way, practitioner get this power by practicing gaze, exercises, so on Now,

yogic way is named as Hypnotism, Mesmerism and Animal Magnetism. Even it is named as western, Indian style has its own benchmark in Ancient Magnetism. Yogic way can be used to control animals, birds, trees and all living beings of nature especially man by using gaze. Gaze practice is backbone for this art, but practitioner should be careful while performing on wild animals

Devils, Demons, and Ghosts, in the Hebrew Tradition: Romancing the Sitra Achra Baal Kadmon, 2019-02-12 When we conjure up the idea of the devil and the demonic hordes in our mind, we are often thinking in the context of how Christianity has portrayed them. The devil and his supposed horns, the Exorcist's battle with the demon possessed, the inverted cross, the Osculum infame (The Infamous kiss) or the Black Mass in which a young woman is sacrificed to Satan. All these are mostly influenced by Christian ideas in some way or another. The Prominence of Christianity in the study of demonology cannot be denied. There is, however, a lesser-known branch of demonology. One that has not been Christianized, yet Christians too have been informed by it. It is far older than Christianity, one that traces its roots back to the dawn of humanity. A demonology that is little known, yet invaluable for those of us in the Occult. It is the demonological ideas found within the Hebrew tradition. The Hebrew demonic tradition It is not as popular ONLY because no one has been able to bring all the pieces together, nor have they the ability to translate the source material from Aramaic and Hebrew to English. Most reiterate what has already been written, but with no foundational knowledge. In this book, I look to remedy that. This is not a boast, I am simply stating the facts. The Hebrew tradition has a rich and powerful Demonological tradition that is often not

spoken of, even amongst kabbalists in fear that the demons and their minions will taint them or bring them bad luck. It is for this reason certain Jewish groups inundate their homes with magical talismans warding off the evil eye, the demoness Lilith and even the great demon Ashmodei (Asmodeus). In this book, I will take you through an academic and magickal journey through the Sitra Achra; the other side of the light as it is understood in the Hebrew tradition. You will not only learn, but you will experience.**Please note, this is not a book on the history of Hebrew or Jewish magick, although it will contain magick rites in it. This book is an elucidation on how the Hebrew tradition views demons and ghosts.** In this book you will learn: How the demonic idea developed, starting with the Old Testament and prior to. We will examine several demons and ghostly figures and their natures as told and experienced by the Great Rabbinic sages of the Talmud and the Kabbalah. You will learn the varying classes of demons and malignant spirits. We all know Lilith, but there are a few other female demonesses that we will encounter on this journey. Some you may have never heard of before. I will explain how the concept of the Sitra Achra unfolded at the moment of creation. You will learn how the Klippot came to be and their true nature. They are the husks of the Sitra Achra, the shards of the Sefirot. I will guide you through the various Hebrew and Aramaic texts that have been a stumbling block to most when approaching this topic. Finally, I will present five meditations and rituals you can use to romance the forces of the Sitra Achra. Let us begin.

Tara Mantra Magick Baal Kadmon,2015-08-16 For most, the goddess Tara the Goddess of compassion and protection. Few people know that she has several other natures as well; 21 in all. She, like most deities in the eastern religions, whether it be Hinduism or certain forms of Buddhism, have several different natures. As I stated in the book on Kali in this series, I mentioned that many deities have qualities that we, in the west, may consider to be evil but in the east, they are considered wrathful. Tara and her energies are very well suited for use in Magick. More often than not, her energy is loving and embracing. But as I said, she has a wrathful nature that can very much be equated to the Hindu Goddess Durga and perhaps even Kali of the Hindu traditions. This wrathful nature can be harnessed. With that said, let's take a journey through the energies of Tara.
